Reds Seek World Control--Truman

Compiled from the Wires of Associated Press

To Take Over the World, Step by Step...

Is the objective of Russia's leaders, charged President Truman yesterday as he delivered his "State of the Union" address to the Congress.

"We will fight, if fight we must, to keep our freedom and to prevent justice from being destroyed. We will not engage in appeasement." The President continued, "We are preparing for full war-time mobilization, if that should become necessary."

As a part of that preparation, the President said he wants changes in the draft laws, higher taxes, greater wage-price control powers, improvement of labor and farm laws, aid to education, and federal aid for training medical men and women.

"I am confident that we can succeed in the great task that lies before us. We will succeed, but we must all do our part. We must all act together as citizens of this great republic," the President continued.

"The imperialism of the Czars has been replaced by the even more ambitious, more crafty, and more menacing imperialism of the rulers of the Soviet Union. The present rulers of the Soviet Union have shown they are willing to use their power to destroy the free nations and win domination over the whole world," President Truman declared.

The greatest hope, believes President Truman, is a strong and intelligent United Nations.

Student Affairs Meeting Today

The present dessert policy and hours men are allowed in women's houses are two topics on the agenda of the Student Affairs Committee meeting at 4 p.m. today in the Student Union.

Whether or not to continue Wednesday desserts is a problem which frequently appears for discussion, Committee Secretary Dick Williams pointed out, due to their interruption of midweek studying.

Hours which men may be in women's houses will be discussed in particular reference to the time from 10-10:30 p.m. Sunday through Thursday, Committee chairman Donald M. DuShane said.

Other subjects for discussion will be student participation in dramatic production, considering the amount of interference with academic work.

Hank Panian, president of the Student Union Board, will present to the Committee a picture of the total SU program.

Coke Date End Recommended

Heads of Houses at its meeting Monday advocated the discontinuation of 10-10:30 p.m. week-night coke dates.

This recommendation was made to avoid concentrated disturbance of evening study schedules during the week, President Jackie Pritzen explained.

The group also discussed the dessert situation, and voted to retain the present dessert policy. Under this an unlimited number of desserts would be allowed living organizations fall term; however, winter and spring only four functions, including both desserts and exchange dinners, could be held each term.

Draft Changes Would be Hard On Law School

With a near 100% male enrollment, the University's law school will be hardest hit by any drastic changes in the draft law, according to Orlando Hollis, dean of the school.

Although this large male enrollment places the Law school in a rather precarious position, it is probably the safest school on the campus at this time with the present draft laws, Hollis said.

Out of the present enrollment of 100 students, 74 are veterans exempt from the draft. Thirty of these students are first-year law students who will, if allowed, finish the required three years.

Drop in Enrollment
Nevertheless, there has been a drop in enrollment from last year, which places the school somewhere near its pre-war level. Fall term 1949 there were 149 students as compared to 211 in 1948-49, which was the largest enrollment the school has had.

If a sudden change in the national situation necessitated the calling of veterans, and a large percent of the law school students are called, the school probably will not close, Hollis has indicated.

During the last war there were only about seven students remaining and school continued for them, he explained.

Frosh Below 2. To Meet Today

Explanation and full details regarding the new supervised study program will be given at a meeting at 6:30 p.m. today in 207 Chapman, James D. Kline, associate director of student affairs, announced Monday.

All freshmen living in the dormitory system who fell below a 2.00 GPA during the past term are required to attend, Kline stated.

Kline said that the meeting would last approximately 30 minutes and asked that all attending be there promptly at 6:30.

Registration Hits 4,434

The total number of students registered in the University at the close of penalty-free registration Saturday was 4,434, according to Clifford L. Constance, registrar. Last year's total was 4,733 at the end of winter term registration.

Students registering now are being charged with late fees, which amount to \$1 a day. Jan. 15 is the last day to register and change or drop classes for this term, Constance said.

Winter Term Lectures Start Wednesday

Colored motion pictures of "Life in the Palau Islands" will be shown by Dr. H. G. Barnett, professor of anthropology, in the first of the winter term lecture-forum series, from 7:30 to 9:30 p.m. Wednesday in the Adelaide Church Memorial Room in the Student Union.

The lecturer, Dr. Barnett, will explain life in the Palau Islands. The showing will be followed by a discussion, with Dr. John James, assistant professor of sociology, as discussion leader.

Held in Browsing Room

The lecture-forum series, held in the SU Adelaide Church Memorial Room, more popularly termed the Browsing Room, is sponsored by the Association of Patrons and Friends of the University of Oregon Library, and by the Library itself.

The series is open to members of the association, faculty members, and students of the University.

Ten lectures have been scheduled for the winter term series, according to Miss Bernice Rise, reader's consultant and Browsing Room librarian in charge. The 10 subjects relate current trends and problems to great books in the fields of literature, science, economics, philosophy, religion, and music.

Opera Singer Slated Thursday

Blanche Thebom, noted Swedish singer from the Metropolitan Opera, will sing here at 8 p.m. Thursday in McArthur Court.

Student body cards (cash register receipts) will admit students to the Civic Music Association sponsored program.

Having worked hard at her music under the sponsorship of her employer when she was a secretary, Miss Thebom knows the value of a sponsor. With this in mind, she is now offering a \$1,500 scholarship for two years to any singer between the ages of 25 and 30 years toward professional work.

Auditions will take place in November for those who send applications to the Blanche Thebom Scholarship Foundation, Suite 300, 711 Fifth Avenue, New York City 22, before Sept. 15.

Wide Repertoire

The long-haired mezzo-soprano has a wide operatic repertoire considering that she has studied only ten years. Among her roles are included Amneris in Verdi's "Aida," Giulietta in Offenbach's "Tales of Hoffmann," Marina in "Boris Godunoff" and many others. She says she prefers the villainesses in the operas (which sopranos often have to sing) because they are ever so much more interesting to her!

Miss Thebom also makes recordings and is said to have the same confident stage presence in front of a microphone as she does before an audience. Her recordings ran from Schumann's "Four Hebraic Poems" with Byron's texts to "Love in the Dictionary," a humorous piece taken directly from the Funk & Wagnall's Unabridged Dictionary.

Executive Council Mulls Free Cards, Junior Class Prexy

A junior class president will be chosen from petitions by a majority vote of the Executive Council.

There's a strong possibility that student body cards with pictures will be issued free to University students within this month.

These were the two major decisions made by the Executive Council, student governing body, at its first meeting of winter term Monday night. All members but one were present.

Petitions Called

The council voted to call for petitions for junior class presidency to fill the vacancy left by Willard Dodds. Dodds had moved into the top spot from the vice-presidency to replace Vernon Beard at the first of fall term.

Beard appeared at the council meeting and asked that he be considered to fill the presidency he had left fall term.

Shirley Hillard secretary, and Donna Buse, treasurer, are the only acting officers of the junior class at the present time. Council members said that these two, along with Beard, would be considered with other petitioners for the presidency.

Money Lined Up

The other top issue of the meeting—student body cards with pictures—was placed in the hands of ASUO President Barry Mountain and Junior Representative Virginia Wright after discussion.

Mountain reported that the Athletic Department will give \$251 for the new cards, which are designed to include name, photograph, and birthdate. This \$251 is equivalent to the sum which went into athletic cards previously.

Total cost of the cards will be approximately \$585, and Mountain said the Executive Council will send a letter to President Newburn through Student Union Director Dick Williams asking that the balance of money needed be taken out of the Education Activities fund.

Decision This Week

President Newburn is out of town, so his decision will not come until late this week. Mountain and Mills Wright will decide then if the schedule of notification photographing, and distribution is too close to allow printing of the cards this term.

Pictures for the cards were originally scheduled to be taken the first three days of this week at a charge of ten cents per student. But a legal technicality temporarily stopped completion of the cards.

This technicality was that the ten-cent fee could not be charged, because it would be a compulsory sum levied over and above those fees already set by the State Board of Higher Education. The legal catch was pointed out by Howard Lemons, administrative assistant to Newburn.

Considered Early

Mountain pointed out that the Executive Council began work on the cards last fall before the liquor controversy came up. The council then began consideration of a more stable card to replace the cashier's receipt and athletic card used at the present time.

Other discussions at the meeting covered scholastic ineligibilities of student body officers.

Mountain said yell leader Arne Simonson is the only member of the rally squad who survived the 2. grade point requirement. The council decided to use only one yell leader and the five song leaders for basketball season.

Phi Sigs Slate Moonlight Girl Finalists Selection

Candidates for Phi Sigma Kappa Moonlight Girl have been submitted by 26 living organizations. These will be narrowed to six finalists who will be guests for dinner at the fraternity house.

Moonlight Girl of Phi Sigma Kappa will be presented at the house dance, "Moonlight Soiree," Jan. 27.

Candidates are: Nancy Hart, Carson 5; Donna Clair Ringle, Alpha Delta Pi; Pat Foley, Alpha Chi Omega; Fern Lyon, Alpha Gamma Delta; Sherry Antony, Alpha Omicron Pi; Karla Van Loan, Alpha Phi; Jo Martin, Alpha Xi Delta; Pat Joans, Carson 2; Doris Philbrick, Carson 3; Jean Gates, Carson 4; Pat Lister, Chi Omega; Pat Johnson, Delta Delta Delta; Marian Smith, Delta Gamma; Lila Carlson, Delta Zeta; Ann Carson, Gamma Phi Beta.

Reda Bonbarde, Hendricks Hall; Neelie Ann Sano, Highland House; Meredith Burch, Kappa Alpha Theta; Phyllis Nye, Kappa Kappa Gamma; Marilyn Henderson, Orides; Joan Kappel, Pi Beta Phi; Marie Sorenson, Rebec House; Thelma Savelich, Sigma Kappa; Ivelou Murphey, Susan Campbell; Winetta Ericson, University House; Barbara Braham, Zeta Tau Alpha.

Millrace to Get Water--Maybe

There will be water in the millrace sometime this week—maybe.

The water had been shut off because it interfered with work on the new UO physical plant, according to City Manager Oren L. King. It was supposed to be turned on again Friday, he stated, but the contractor requested another week's postponement.

I. I. Wright, superintendent of the physical plant, told the Emerald Monday that, as far as he knows, the contractor had completed the work with which the millrace water interfered. He said he believes the water will flow again sometime this week.

Women's Rushing Sign-up Date Due

Deadline for signing up for women's rushing this term is 4 p.m. Wednesday in the Office of Women's Affairs.

All of the 16 sororities represented on the campus will conduct rushing this term, according to Panhellenic.

Rushing requirements are a 2.00 GPA fall term or a 4 decile for entering freshmen.
