Braves Top Hoop Team In AP Poll

After taking their 15th consecu-Live triumph by routing Drake 74-55 Monday night, the Bradley Braves remained on top of the Associated Press national basketball standings released last night.

The Braves will meet St. John's of Brooklyn, ranked eleventh, Thursday night in a contest that might mean the end of basketball's longest winning streak of the 1950-51 season.

The Bradley cagers received 126 first place votes and a total of 2,320 points, a new high for the season. Since ten points are awarded for a first-place vote, the highest total that the 252 sports writers and broadcasters could award to any one team would be 2,520.

The following teams are the rest of the top 12, ranked in the following order: Oklahoma A. and M., Kentucky, Long Island University, St. Louis, Indiana, North Carolina State, Columbia, Kansas State, Wyoming, St. John's of Brooklyn, and Washington.

Ducklings Face Rooks Friday

Coach Don Kirsch's undefeated University of Oregon Frosh basketball squad will face the Oregon State Rooks Friday and Saturday, January 12 and 13, at Corvallis.

The Ducklings will be seeking their 13th consecutive victory. The Rooks broke an 11-game Duckling streak in 1950, and they will be attempting to perform a similar feat the afternoon. Sporting such prep Friday night.

The Rook club is the only squad that has defeated Coach Kirsch's charges during the past three seasons. The Ducklings won sixteen and lost four during the 1948-49 season, and all four losses were acquired at the hands of a great halftime and were in front 38-0 at Rook quintet that lost only to the end of the third quarter. Basketball Captain Out of Bay Series, To Face Vandals

Oregon's chances for victory in its basketball series with St. Mary's college and the University of San Francisco this weekend were knocked down a notch yesterday.

Forward Will Urban, floor captain of the squad, re-injured his right foot, broken last fall in pre-season practice.

The injury is not serious, physicians told Urban, and he will be ready for the Idaho series next week, but he definitely will not accompany his teammates to the Bay city this weekend.

Doctors said the injury this time is a separation of the bones in Urban's right foot. The tall forward apparently suffered the mishap in the same way it struck him last fall, and realized it as it happened. He was able to walk from the floor.

Webfoot Coach John Warren said yesterday the team will miss Urban, and chances for victory in the southland are decidedly lower in his absence. Urban will probably remain in Eugene, going to Corvallis at least one night of the weekend to watch the Oregon State-Washington games.

New Guard

Warren experimented with a position change in yesterday's workout.

Mel Streeter, lanky swift-moving forward who played center last year, was given a tryout at a guard

Streeter, according to his mentor, can use his terrific speed and agility to good effect from the guard spot.

Warren said he has been look-ing for a good "feeder," a guard who is adept at feeding the ball to the post man in the keyhole position. Streeter may be the man, he added. Mel is also a good shot from the guard position, and is particularly dangerous in plays calling for the guard to cut by the center.
