## Winter Term Enrollment Shows Drop

Registration for winter term had climbed to 4,528 according to Monday's figures, Registrar Clifford L. Constance reported Tuesday. This total represents a drop of 16 percent over last year's winter term enrollment.

Constance reported he was quite surprised that the drop was not greater. He pointed out that the fall-term decrease, as compared to the enrollment fall term of 1949, was 12 per cent. Considering the present situation, he said this term's decrease could have been much greater. Winter term enrollment is nearly always less than fall term, he mentioned.

Late fees are now being charged for registration, consisting of a \$5 levy on Monday and \$1 per day after that time. Last day classes may be added or dropped, except with special permission, is Monday.

## KOAC to Show Suspense Drama

"A Coffin for Dimitrios," a suspense drama adapted for radio by John Boles, will be presented by the Radio Workshop at 4:30 p.m. Thursday over KOAC.

Previously enjoyed by movie audiences under the title of "The Mask of Dimitrios," the drama was enacted by Sydney Greenstreet, Zachary Scott, and Peter Lorre. The University production casts Terrence Roseen, Jim Blue, Ed Ragozzino, and Cliff Cole in leading parts.

Preceding the play will be 15 minutes of popular music by Wally Heider and his orchestra over "Music from Villard," and a tape-recorded interview between George Drougas and the tennis stars who appeared at Mac court Thursday. The stars include Gussie Moran, Pauline Betz, Pancho Segura, and Jack Kramer.

## At Sigma Chi...

The White Cross hotel has been dense with smoke lately as numerous brethren have passed out cigars to signify their engagement. Stogie distributors have been Jim Goode, engaged to Theta Prexy Nancy Chamberlain; Darhl Davis to Alpha Phi Jan Bosserman, and Bob Sanders to Pi Phi Jane Daggett.

Two Sigs went a step further over the holidays and sealed their fate with marriage vows. They are Earl Stelle and Bill Pritchett who married Mary Jo Extra and Bev Loretz, respectively.

Jack Sherman, Ed Seabloom, and Wally Priestly recently left for military duty, but the house ranks were bolstered when Steve Button returned after playing football for Vanport last term.

Pledge President Wayne Carothers reports a very interesting trip over the holidays to Miami University in Oxford, Ohio, for a YMCA gathering.

Tom Farnsworth is leaving soon to spend two years studying architecture in Europe.

Ye Olde Sigma Chi stocks will get a work-out soon when House President Lin Sloan is committed for planting his Cross on Alpha Phi Lois Petersen.

## Coke Dates Permitted

(Continued from page one) on. Instead the committee unanimously voted to refer the dessert question to a committee which would report later this term.

Miss Pritzen told committee members that Heads of Houses had voted to recommend the dessert policy as it now stands. Desserts are the exchange dances held from 6:30 to 7:30 p.m. in women's houses.

She further clarified the "coke date" question by saying that sophomore women will now have the same evening hours as junior and senior women. They will be restricted only by grades and individual houses.

Regulations governing junior, senior, and freshmen women will remain the same as they were fall term.

"Heads of Houses thought this 'coke date' hour was as much a restriction as a benefit," Miss Pritzen said. "The Monday vote merely eliminates the precedent of the 'coke date' hour."

The Student Affairs committee will meet again Feb. 13. Dr. Roy C. McCall, head of the speech department, will be a guest at the meeting to discuss student activities as connected with the University Theater.

## ID Card Out

(Continued from page one) the original plans.

A second plan for raising the money was presented at last Monday's council meeting. The athletic department had agreed to pay approximately \$251 of the total cost of \$585, and the council, through Student Union Director Dick Williams, was going to ask President Newburn to approve an expenditure from the Educational Activities fund to make up the balance.

Dr. Newburn, however, has been out of town, and thus could not act on the proposal.

"If we had waited until he returned, and acted on this proposal, it would be too late to get the cards printed by the next home basketball game," Miss Wright said.

The problem of how to obtain the money still remains for the proposed cards next fall.

## Course Offered On Soviet Union

An entirely new geography course, the geography of the Soviet Union, is being offered by the University on an upper-division level this term, with S. D. Erickson, assistant professor of geography, as instructor.

The course will cover all phases of Russian geography, including mineral resources, military strategy, and political geography.

The political phase of the course will be of special interest, Erickson stated, because of the current interest in Russia's political policy.

## Emerald Offers Advertising Jobs

Positions are open in the advertising department of the Emerald and interested students will be interviewed Friday from 1 to 4 p.m., according to Don Thompson, business manager.

Interest is the only requirement requested, said Thompson, although some advertising experience will be helpful.

Positions open are for a layout manager and staff, day manager and staff, zone manager and staff, and general layout work.
