

Idaho Next on Webfoot List; Wegner Leads Frosh Scoring

Ducks-Vandals...

Fresh from wins over the University of San Francisco and St. Mary's College, Oregon's Ducks this weekend will try to get back into the 1951 Northern Division race when the Idaho Vandals come to Eugene.

It will be the first conference home series for Oregon.

The Webfoots have won their last six non-conference games, but dropped two battles with Washington at Seattle in their only league play.

Idaho this year has a tall team—rated as one of the tallest in the west. The games will probably feature a battle for backboard supremacy.

Oregon may not make any changes in its starting line-up, depending on the right foot of Forward Will Urban, injured last week in practice. He may not see action this weekend, after being out last weekend as well.

Curt Barclay, who got 39 points over the weekend in San Francisco, will probably be at a forward along with Bob Peterson. Jim Loscutoff will be at center, and Mel Krause and Jack Keller will again be at the guard spots.

Grid Group Meets for Rules Study

GALVESTON, Tex.—(AP)—The National Collegiate Athletic association football rules committee came here Monday to study a minimum of proposed changes in the playing rules.

The committee, headed by H. O. (Fritz) Chisler, athletic director of Michigan, appeared likely to return the fair catch to the rules after absence of a year but make a few other changes.

Enough suggestions have come from the American Football Coaches association, which held its annual meeting in Dallas last week during the NCAA convention, to extend the session until about Wednesday noon, Crisler said. Conservation of time during a game was one of the coaches' proposals. This would be accomplished by cutting down length of time-outs, time to put the ball in play, etc.

Lou Little of Columbia, chairman of the football coaches rules committee, reported an overwhelming sentiment for return of the fair catch.

The Dallas convention handled much legislation, most important of which was eliminating the controversial sanity code. As a result the conferences and individual schools, when not in a conference, will handle financial aid to athletes.

Other major business: A ban on live television in football although this is not legally authorized the NCAA council to binding on the members.

Require bowl games to have NCAA representation on their boards, give 75 percent of the gross receipts and allocate one-third of the tickets to competing teams and prohibit an NCAA member playing more than one bowl game a year.

Frosh Scoring...

High-scoring Guard Kenny Wegner, who led Oregon Frosh scorers in Friday's Frosh-Rook encounter with 13 points, now leads the Duckling scoring parade for the 1950-51 campaign.

In four games, Wegner, formerly a regular on Roosevelt's 1949 state championship squad, has dropped in 18 field goals and 17 out of 25 free throws for 53 points.

Guard Barney Holland, who tallied eight points against the Rooks, is second with 26.

Forwards Ron Phillips and Bob Stout, the latter now ineligible, are tied for third, having scored 24 apiece.

Another ineligible, Forward John Reynolds, is fifth with 23, while Center Doug Rogers is right behind with 22.

Other Duckling scorers include Forward Don Siegmund, 17; Guard Bob Hawes, 13; Guard Paul Poetsch (ineligible), 13; Center Leon Keefe, 7; Guard Ron Keil, 2; and Guard Clark Hollis, 2.

Wegner's .680 free throw average is the top mark in that department. Siegmund is second with five out of nine for a .556 percentage, and Rogers follows closely with six out of eleven for .546.

Disregarding the records of the ineligible, the only Ducklings have cashed in on only 40 out of their 71 gift tosses for an unspectacular .563 average.

Coach Don Kirsch's undefeated Yearlings will be seeking their fourteenth consecutive triumph and their fifth of the present season when they meet the Oregon State Rooks at Eugene Friday night.

The third Frosh-Rook clash of the season is scheduled for Saturday night. Four more will be played later in the season.

Phi Delts, SX, K Sigs Win IMs

Phi Delta Theta, Sigma Chi, and Kappa Sigma opened "B" league intramural basketball action Monday by taking victories.

The Phi Delts scored an easy victory in the first scheduled game. Sigma Phi Epsilon failed to arrive, giving the Phi Delts a win.

Sigma Chi showed the most impressive quint. They romped to a 27-9 win over a weak Sherry Ross team. Sherry Ross jumped to a 2-0 lead early in the contest but the Sigma Chi's quickly found the scoring range and piled up quarter leads of 15-2, 16-5, 23-5 and walked into 27-9 margin at the end of the contest.

Stu Richardson paced the winners with 12 points. His teammate Rinehart, scored eight.

Kappa Sigs Victors Kappa Sigma and Rooker hall hammered away at each other for four quarters with the Kappa Sigs finally squeezing through with a win over the band from the Vets dorm.

Both teams were extremely ragged on their shots and the lead changed hands several times throughout the hectic fray.

Kappa Sigma led at the end of the first quarter 3-2 but trailed 6-5 at the half and 8-7 at the end of the third period. Bob Jones scored 5 points to pace the winners.

In intramural handball, Phi Kappa Psi scored a win over Sherry Ross Hall.

WSC-Big Ten Series Possible Say Pullmanites

PULLMAN—(AP)—Washington State College may replace the Navy on the Ohio State football schedule.

WSC officials reported the possibility of a home-and-home series with the Big Ten Buckeyes at a meeting here Saturday.

The series would fill the gap left in the Ohio State schedule when they Navy cancelled a series with the Buckeyes as part of its football "slowdown" program.

College sources said a possible gridiron meeting between Washington State and Santa Clara also was discussed. Santa Clara is looking for an opponent to replace St. Mary's, which recently abandoned football.

Awards Ready

Winners of varsity "O" sweaters and frosh numrals can now pick up their awards in the athletic department office in McArthur court, Director Leo Harris said yesterday.

Cougars Prep For Washington And Crucial Set

PULLMAN — King basketball should reach its peak around the Northwest this coming weekend, January 19 and 20. Coach Jack Friel's Cougars will attempt to match baskets with Coach Tippy Dye's highly favored Washington Huskies in a two game series at Pullman.

Rated as the top team in the Northern Division, the Huskies will probably start a quintet composed of Doug McClary and Frank Guiness at forwards, Bob Houbregs at center, and Louis Soriano and L-Don Henson at guards. This quintet will definitely boast a height advantage over the Cougars.

Three of the Husky starters have a better than 400 per cent shooting average from the floor. The Huskies will test the Friel devised defenses with their 62.6 point per game this season. To date the Cougars have held down their opponents to only a 52.5 point average per game.

Offensively the Cougars will have such scorers as Peter Mullins, Sydney, Australia, Bob Gambold, Longview, and Eric Roberts, Hollywood. Mullins has been snapping the twine with an 8.8 average per game; Gambold has an average of 8.7 points per game.

Roberts, with only a 5.3 average per game to date has been moved into a starting forward role.

He averaged 11 points per game in the first Northern Division games assignments.

Rounding out the Cougar starting five will be George Rosser, center, Bellingham and Leon Mangis, guards.

Both are veterans and should add greatly to the Cougar defensive power with their strong checking ability.

Duck Ski Team Begun With Mt. Hood Tryouts

Oregon's first move toward a varsity intercollegiate ski team was made last weekend at Mt. Hood.

About 20 slat enthusiasts met for tryouts. The Webfoot cross-country, slalom, downhill and jumping team will be formed from this group.

No regular competition with other schools has been scheduled as yet, but UO athletic department

officials said yesterday, "We are working on that."

Our Equipment Skiers will furnish their own equipment and clothing according to Athletic Director Leo Harris, who announced the formation of an Oregon ski team last week.

All athletic department money put into skiing, Harris said, will (Please turn to page five)
