

USA Calls For Officer Petitions

United Students Association President Ron Phillips has issued a call for petitions for membership on the party's 1951 steering committee.

Petitions must be submitted to the office of the Program Director, Room 301, Student Union before 5 p.m. Friday. Students with a 2.00 for the previous term and a 2.00 cumulative GPA are qualified to petition for one of the following positions: president, vice-president, secretary-treasurer, and member-at-large.

Interviews of the petitioners will be held at 7 p.m. Sunday in the Student Union. On the basis of these interviews, recommended nominations will be made by the present steering committee to an open assembly next Tuesday. This assembly will elect the new members of the steering committee.

All members of the 1951 steering committee will have an opportunity to serve on those standing committees for which they may be qualified. Standing committees include USA policy formation, nominations, publicity, finance, and membership.

Work plans for the newly elected committee include amendment of the USA constitution and formulation of plans for ASUO spring term elections.

USA is the coalition political party which represents the interests of Independent and Greek students, Phillips explained.

Twelve Initiated Into Women's Swimming Group

Twelve girls were initiated into Amphibians, women's swimming honorary, Monday night, President Joan Skordahl announced.

Those who passed swimming skills, ballet techniques, and required racing time were Mary Bennett, Monnie Gutchow, Audrey Truesdail, Shirley Nichols, Janet Nunn, Claire Johnson, Joice Balch, Judy Woodcock, June Nichols, Jane Rey, Margaret Brennan, and Pat Beaudoin.

Tryouts for Amphibians will be held at 4 p.m. today at Gerlinger, Miss Skordahl said. Testing will last till 5:30, in case some girls have 4 o'clock classes. Further tests are scheduled for next Tuesday.

Swimming Intramurals, sponsored by Amphibians, will be held Feb. 8 and 15, the president stated. Houses are urged to sign up with Shirley Smart, intramurals swimming manager, at Carson Hall or Gerlinger.

Jeannette Masilionis, instructor in physical education, is adviser of the group.

Houses to Join Religious Week

A meeting of living organization representatives for Religious Evaluation Week will be held at 4 p.m. Tuesday in the Student Union, according to Chairman Joyce Langdon.

The delegation will decide on speakers from the faculty and Eugene churches to talk at fire-sides Jan. 16, 17, and 18. Topics for the speakers will also be discussed.

"Living organizations will be paired in most cases," explained Miss Langdon. Next week will feature dinners at which speakers will appear.

Deadline Nears For Blood Drive As Plans Form

Plans for the University of Oregon blood donation drive Jan. 22 began to crystallize Monday as the deadline nears for turning in pledge cards and parental releases.

While the blood donation drive is open to all persons who are at least 18 years of age but who have not yet reached 60, those under 21 (except married women) must turn in parental releases filled out and signed by their parents. For those who have not done so, the release is again printed in this issue of the Emerald on this page.

The releases must be turned in with the pledge cards, if possible. Both should be given to house presidents, who must turn them in to Herb Nill at Theta Chi, for the men, or to Leslie Tooze at Kappa Alpha Theta, for the women, before 5 p.m. Wednesday.

Drop Them In A Box
Off-campus students who have not obtained their pledge cards can do so at the Student Union or at the Co-op. These and the signed releases for those under 21 should be dropped in a box at one of those two places before 5 p.m. Wednesday.

Students are reminded that anyone who has had infectious jaundice within the past year or has been inoculated for typhoid or vaccinated within the past month should not sign up as they cannot be accepted.

The quota set for the University is 350 pints of whole blood for wounded men in Korea. In order to meet this quota, 425 appointments is the goal set to be made, to take care of possible rejections and failures to keep appointments. Donors are asked to keep their appointments to enable the drive to meet the 350-pint quota.

In the event that an appointment conflicts with a class, the donor is asked to check with the Office of Student Affairs to make necessary arrangements to enable the donor to keep his appointment. Appointment cards will be necessary for such an arrangement.

UNIVERSITY MUSIC STUDENTS Phil Green (left) and Rose Zena Batta will present a joint recital at 8 tonight in the Music School Auditorium. Baritone and soprano, they will sing duets and solos from Mozart, Verdi, Schumann, Brahms, Bizet, Dvorak, Bach, and Tchaikowsky.
