

Loscutoff Tops in Scoring

Bob Peterson and Jim Loscutoff continue to lead the Oregon Webfoots in scoring statistics going into the eleventh week of the current season.

Peterson is tops in conference scoring with 68 points, while Loscutoff leads the entire season parade with 198 counters.

Peterson's total gives him an average of 11.3 points a game. That's the highest in the Northern Division. Loscutoff is close behind, being in third spot in the ND with a 10.2 points a contest average.

Webfoot Curt Barclay is fifth in the division with 58 points and a 9.7 average.

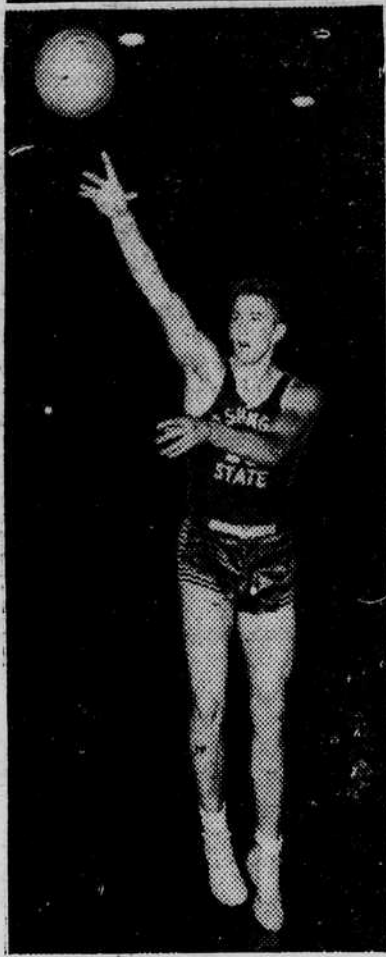

In the rebound column, Peterson and Loscutoff have 77 and 75, respectively.

The important column of shooting accuracy is topped by Duck Forward Mel Streeter, who has a .444 mark. Ken Hunt is second with .387, and Barclay is next with .367.

Mel Krause, Loscutoff and Jim Vranizan are all hitting at better than .300. The complete figures for the squad in both ND and total season play are below.

Cagey Cougar

GEORGE ROSSER, star Washington State forward who will probably take the pivot duties against Oregon when the Ducks invade the Inland Empire during the next week. Rosser has been doing a good share of Cougar scoring.

Duck Slat Squad To Enter Nevada Winter Carnival

Oregon's Webfoot ski team will participate in the Winter Carnival at Mt. Rose, Nev., Feb. 16, 17, and 18, athletic Director Leo Harris announced yesterday.

Just who will make the trip for the Ducks has not yet been determined, Harris said, because bad weather has made mountain training difficult.

But the Ducks will be there. The Oregon slat team is still in the process of being organized. Turnouts to date have been enthusiastically large.

Kramer, Betz, Still Winning

SAN JOSE, Calif. — (AP) — Jack Kramer and Pauline Betz lengthened their wide margins over Pancho Segura and Gussy Moran in their pro tennis tour over the weekend.

Kramer was pushed but won 6-3, 3-6, 6-3, giving him a 44-15 margin over Segura. Addie easily beat Moran 6-2 in their one-set match to make it 46-9.

Webfoots Prepare For Idaho, WSC; 12 to Make Trip

Oregon's Ducks yesterday started preparatory drills for the weekend that will make or break their 1951 basketball destinies.

The Webfoots' destinies will be at stake this weekend when Oregon starts the rugged invasion of the Inland Empire with a pair of games against Idaho at Moscow.

After a one-day rest Sunday, the Ducks will shift to Pullman to meet Washington State on Monday and Tuesday.

Since Christmas, the Ducks have won 10 of 12 games, with the two losses being to Washington. Since Seattle, Oregon has won over St. Mary's University of San Francisco, and Idaho and Oregon State, both twice.

Fourth Win

The 66-47 win over the Beavers Saturday was the fourth consecutive ND win and the sixth in a row starting with the St. Mary's game in the Bay city.

Those four division wins raised Oregon straight out of the basement and into a tie with WSC for first place in the ND.

Oregon won two tough games from the Vandals at Eugene, 60-56 and 62-56, and with Idaho playing on their home floor in Moscow, things will be even tougher.

The Ducks have not yet met Washington State this season, but the early performances of the Cougars have been fair warning that a rugged pair of games is in the offing.

Same Starters

Coach John Warren does not plan to change his starting lineup for the first game against Idaho. Sophomores Curt Barclay and Bob Peterson will take the forward positions, Junior Center Jim Loscutoff will line up to jump, and Seniors Jack Keller and Mel Krause will again be the starting guards.

Captain Will Urban got a chance to try out his injured foot in the second OSC clash and he showed up well. He will make the trip. Other travellers will be Mel Streeter and Jim Vranizan for the forward spots.

Chet Noe and Henry Bonnemann for center reservists, and Ken Hunt for the extra guard position.

The twelfth man on the traveling squad will be either John Nealey or Keith Farnam.

Frosh Eligible Next Fall, PCC Man Predicts

SPOKANE — (AP) — The Pacific Coast Conference will have freshmen eligibility rules similar to those in effect during World War II, H. P. Everest said here Sunday.

Everest, University of Washington's PCC faculty representative and former conference president, said the National Collegiate Athletic association may put a ruling on freshmen eligibility into effect without referring the matter to a full meeting of the association.

Everest said the NCAA left it up to its 13-man council to decide the question. He added frosh rules probably will be discussed at a PCC meeting in San Francisco early next month.

Everest was here to address the semi-annual high school scholarship awards banquet of the Spokane Junior Press club.

Cherney, Kappa Sig, SAE Take IM Contests

Cherney, Sigma Alpha Epsilon and Kappa Sigma scored victories Monday in A intramural hoop action.

A power failure almost called an end to the SAE-Sigma Nu tilt in the first half but after five minutes of darkness, play was resumed with Sigma Alpha Epsilon eventually winning 17-14 in an interesting contest.

The game was rough with an excessive amount of fouls called on both quints. SAE led 7-6 at the half but trailed 14-13 early in the last quarter. At this point an attempt by Sigma Nu to stall failed and a field goal plus a pair of freethrows led the game for SAE.

Kappa Sigs Roll
The Omega-Kappa Sigma game turned into a scoring derby for the Kappa Sigs. They trounced their opponents, 47-5 in one of the season's high scoring contests.

Faced by Bill Clausen with 12, Arnett Johnson with 12 and Bob Anderson with nine points respectively, the winners rolled up a half-time lead of 20-2 and were out in front 36-4 at the start of the final period.

Jack Cardinale scored all five points for Omega.

Cherney hall lowered the boom on the Legal Eagles by a score of 31-6 to round out the afternoon's festivities. The sharpshooting of Bob Brittain, Jerry Cach and Dick

Johnson supplied too much power for the Eagles to combat.

Billiard Squads Picked for Tilts

Three teams were chosen last night as the University's entrants in the forthcoming telegraphic billiard tournament.

Because the three squads—pocket billiard, straight-rail, and three cushion—will enter telegraphic competition at different times, several men made two or all three teams.

First five men and alternates, in that order for the pocket billiards team are:

E. E. Brown, Frank Tilly, William Sperling, Champ Husted, Jim Hoogs, Fritz Mueller, Jim Weatherall, and Jerry Benedict.

Straight rail team and alternates in order:

Ken Eaton, Fritz Mueller, Frank Tilly, E. E. Brown, Champ Husted, Max Kending, Jerry Benedict, and Ivan Midlam.

Three-cushion team is:

Frank Tilly, Ken Eaton, Jerry Benedict, William Sperling, Ivan Midlam, E. E. Brown, Fritz Mueller, and Champ Husted.

Three Faculty Teams Win Tilts

Faculty bowling last night saw one lop-sided score, two 3-1 victories and one split count.

The Grenadiers bowled over the Vitamins, 4-0 in the one sure match of the evening.

For the Grenadiers, Capt. R. J. Greiner bowled a high series of 505.

In the split match of the evening, the Stack Rats and Jets finished play with a 2-2 count.

Other matches saw the Flying Saucers take the Nogoodniks, 3-1, and the Liberal Rats defeat the Draftsmen, 3-1.
