

Wesley House Sets WSSF Talk

David Levering, traveling secretary of the World Student Service Fund, will speak to all interested students and members of campus religious groups on the forthcoming WSSF drive at 4 p.m. Sunday at Wesley Foundation.

Levering will discuss the needs of students in Southeast Asia, where he has traveled extensively. Upon graduation in June, 1950 from Redlands University, he represented that school at the Inter-University Seminar in Mysore, India, and at the International Student Service Conference at Bombay.

While in India, Levering had the opportunity to talk with leaders in education and politics including Prime Minister Nehru and President Prasad, as well as Vice-chancellor Minjanath of Mysore University.

Levering was able to witness the refugee situation caused by religious strife and the starvation and political unrest which have made student problems acute.

Besides traveling in India and participating in study tours of most of the major cities there, Levering served as student body president of Redland College and worked with the Bonn Committee which has established one of the strongest inter-university affiliations within the WSSF program.

Jackie Wilkes, Oregon WSSF chairman, cited Levering as an excellent speaker and organizational expert for WSSF work. Miss Wilkes also announced that the address Sunday is open to all students whether they belong to the church organization or not.

Dancing Festival To Follow Game

A folk dance festival, with a program of costume dances by two foreign students, will be held after tonight's game in the Student Union Ballroom.

Mrs. Celia Oliver from the Philippine Islands and Adriana Jaunlins from Latvia will give the intermission program. Dances and games will be conducted by seniors in the School of Physical Education.

Members of campus religious organizations have been invited to participate in the party in place of their regular Friday night program, according to John Spear, chairman of the event.

The YMCA is sponsoring the festival.
