Harber Injured In Auto Accident

Inter-fraternity Council President Bill Harber is still undergoing treatment of injuries suffered when he and five other students were involved in an auto accident Thursday night.

Harber is presently in the University infirmary after having been moved there from Sacred Heart Hospital. He was the only one of the party who received serious hurts.

The accident occurred as the group was returning to the campus following their visit to an eating place on the north side of Eugene. Their car, being driven by Matt Vranizan, struck a truck parked on the highway, smashing the right side of the vehicle.

Harber suffered a smashed hand and head and chest cuts. Vranizan, Ed Peterson, Dick McLaughlin, Tim Wrightson, and Bill Carey all escaped with slight cuts and bruises.

You'll never find opportunity knocking around with other knockers.

COMING SUNDAY "Son of the Shiek"
