### Call Issued To Fill Spot On Council

A call for petitions for the vacant position of senior representative on the Executive Council was issued Tuesday by ASUO President Barry Mountain.

The opening on the council, which was created by the resignation of Tom King, will be filled by a member of the Associated Greek Students party. Petitions may be turned in to the ASUO office.

In accordance with policy established by the Executive Council, no recommendation will be made by the AGS party, Mountain said.

The new senior representative will be selected from those petitioning at the regular meeting of the council Monday.

The council will hold a special meeting at 4 p.m. Thursday for the purpose of discussing final plans for Sports Night.

Members of the executive group are slated to meet next week with Director of Athletics Leo Harris and members of the Order of the "O" to decide upon the number of athletic awards to be given men participating on the University Ski team.

### Jones Wins JIFC Post

Bob Jones, Theta Chi, was elected president of the Junior Inter-Fraternity Council Tuesday evening.

Jones, a sophomore in business administration, succeeds Bill Paul who served as president of the council winter term.

Other officers selected by the JIFC were Dick Peters, Sigma Phi Epsilon, first vice-president; Jerry Friedman, Sigma Alpha Mu, second vice-president; Judge Elderkin, Theta Chi, secretary; and Wayne Carothers, Sigma Chi, treasurer.

The council voted to handle clean-up activities following the annual class picnic held during Junior Weekend. The group will deposit refuse containers on the picnic site and will supervise pick-up of material disposed of on the campus grounds.

The JIFC will hold its next meeting at 7:30 p.m. Apr. 17, at Phi Sigma Kappa.

### Duo-Pianist Team Due Here Thursday Night

Pierre Luboshutz and Genia Nemenoff, popular duo-pianist team, will appear at 8 p.m. Thursday in McArthur Court under the auspices of the Civic Music Association.

Luboshutz and Nemenoff, well-known pianists in their own right before joining forces, have become a wonderfully close-knit team both on stage and off. Their great talent has come to the public through their love of playing and of playing together, and from private home recitals to the concert stage wasn't such a big step when the fact that they used to give concerts by themselves is considered.

An 80-performance season is not unusual for this active pair, who once gave concerts over an area of 56,700 miles in two short months. When not on tour, the couple is either "resting" at their country place in Maine (which involves at least five hours' practice a day) or giving parties of high musical and literary value in their New York apartment.

The Luboshutz' concert this time in Eugene will consist of numbers by Bach, Mozart, Brahms, Rieti, and Strauss. Their extraordinary semi-orchestral skill in producing the works is said to be an eye-opener in interpretation and inter-pianist harmony.

### Petitions Called For Phi Theta Spring Sale

Petitions for chairmen of the annual spring sale sponsored by Phi Theta Upsilon, junior women's service honorary, have been called for, with the deadline set at 5 p.m. Monday.

Freshman women with a 2.00 grade point average are eligible to petition, Jeanne Hoffman, president of Phi Theta, said. Petitions and eligibility slips may be obtained in the office of the director of women's affairs, Emerald Hall, and are to be turned in at the main desk of the Student Union where a box will be located.

Suggestions for the sale will be more important than past activities as a basis for choosing the chairmen, Miss Hoffman emphasized.

### Attendance Must At Sing Meeting

Each house representative must be at the All-Campus Sing meeting at 4 p.m. today in the Student Union if his house is to participate in the event, according to co-chairmen Jeanne Hoffman and Marilyn Thompson.

Song titles are to be submitted at that time and the rules will be explained.

### Living Groups To List Preview Housing Choice

Living organizations planning to house high school seniors during Duck Preview weekend, Apr. 13, 14, and 15, should turn in their lists of preferences to the housing co-chairmen by 5 p.m. today.

As many as 50 names may appear on each list, although halls and houses will not be assigned more students than their capacity allows. The capacity should be stated on the preference list, along with designation of high school students who have a brother or sister in the living organization.

Housing Co-chairmen Bob H. Jones, Hunter Hall, and Harriet Vahey, Alpha Delta Pi, explained the procedure regarding housing for the weekend.

Automatic assignment to a living organization will be made high school seniors who have a brother or sister living in a particular house or whose names appear on only one list. Students on more than one list will be drawn for. Those whose names do not appear on any list will be assigned arbitrarily.

Visiting seniors will have a choice only between dormitories, fraternities or sororities, and co-ops. A reimbursement of \$1.50 will be given living organizations for each student they house.

The number of students expected on the campus during the weekend is not yet definitely known, but replies from queries sent to all seniors in the state are due in Alumni Director Les Anderson's office this week.

### Adviser to Indian Government To Address Students Thursday

Dr. Victor Hugo Sword, for 20 years a resident of Assam, India, will speak on conditions in present day India at the ASUO assembly at 11 a.m. Thursday in the Student Union. Dr. Sword is here under the auspices of the World Student Service Fund drive committee.

At present he is the adviser to the Indian government for students studying abroad, particularly those studying in the United States and in the United Kingdom. According

to Jackie Wilkes, WSSF drive chairman, his speech will be of particular interest to Oregon students because WSSF collections will be sent to students in Assam.

In the political realm, Dr. Sword is a personal friend of Indian Prime Minister Nehru and has been a guest at the home of the late Mahatma Gandhi on several occasions.

Also during the evening there will be congratulatory messages from radio stations and campus personalities.

"...And Matilda will be there, too!" Jack Vaughn, senior in speech and station manager of KWAX, reported. Vaughn refused to disclose her identity.

### Sports Night To Provide Acts
