Strange things have been happening on the local intramural athletic fields. Minturn Hall, the great athletic power, has not been performing up to par.

As a matter of fact, the Minturns suffered a more-or-less convincing 19-0 setback at the hands of the Nestor Hall softball nine. Minturn collected one hit during the contest.

This is the worst loss that Minturn has ever enjoyed in any sport. Ever since the first Minturn team, their 1947 softball squad, opened its season with an easy 12-5 decision over Phi Sigma Kappa, the dormitory crew has been a strong contender for championship honors in every athletic activity.

Minturn completely dominated sports activities last fall, taking championships in every intramural sport—touch football, "A" volleyball, "B" volleyball, and swimming.

## Volleyball Victories

Volleyball has always been their major sport. Their first volleyball game featured a 15-9 and 15-3 victory over Cherney Hall. Such scores are now traditional products of Minturn play.

Minturn's 1948 "A" volleyball team won 10 consecutive victories and placed second in the playoffs. The 1949 "A" squad captured the intramural title, and Minturn also placed second in the "B" division. The Bees captured their league championship with eight consecutive wins, scoring 120 points to their opponents' 49.

The intramural "A" all-star squad included two Minturn athletes, Louis Santos, an Oregon varsity swimmer, and Dave Van Zandt, who lettered in tennis at the University.

Minturn's latest volleyball aggregations seized both "A" "B" crowns last fall. This means that Minturn has entered six volleyball teams in IM competition and has taken three titles, finishing in second place two additional times.

## Sockless But Not Punchless

Minturn's touch football teams also have enjoyed eventful careers. Their first game featured a 1947 12-0 win over the Legal Eagles. Joe Tom, present Oregon varsity baseball infielder, led the dormitory attack. He twice punted over 65 yards—barefooted!

Minturn lost the league championship to Beta Theta Pi when the latter club gained a close 7-0 victory over the independents. Al Bullier, now an outstanding Duck varsity sprinter on Coach Bill Bowerman's track squad, scored the only touchdown of the game when he took a pass on his own 25 and dashed 75 yards down the sidelines to score in the opening minutes.

Minturn rallied in the final quarter with Tom sparking the attack. However, scoring opportunities were blasted when Bob Melim caught one of Tom's aeriels just outside of the end zone, and Bob Amacher, later an Oregon varsity hoop star, dropped another Tom pass in the end zone.

## Minturn Rallies Are Not Unusual

Tom led that same Minturn team to a 14-12 win over Westminster House after the Westminsters had taken a 12-0 halftime advantage. During that same season, Sigma Nu captured the intramural crown, and End Dick Wilkins was placed on the IM all-star team.

The 1948 touch football season also featured the activities of several athletes who later won letters at the University. Mel Krause of Campbell Club, who was placed on the all-star second team, suffered a fractured jaw when he was knocked unconscious while blocking an opponent.

## Reedy Ready

Reedy Berg, who had already lettered in varsity basketball scored a 60-yard touchdown for Kappa Sigma as his team took a close 8-6 decision over Minturn. Splasher Louis Santos was a member of the all-star squad.

Minturn's 1949 touch football team, noted for its great defensive efforts, completed the season without being scored upon.

Nevertheless, the Minturns lost two games. Strangely enough, both losses were suffered at the hands of the same opponents—Sigma Alpha Mu. An added feature was the fact that Sigma Alpha Mu finally won the league title without being scored upon.

How can a team lose two games without being scored upon? The solution to this question can be found in the intramural rules, which state that a tie game will be decided in favor of the squad which has gained the most first downs. The Sammies won two 0-0 victories from Minturn by exceeding their opponents 5-2 and 4-2 in the first down department.

The 1950 Minturn grid production was one of the greatest teams of intramural history. They opened the season with a 34-0 revenge victory over the Sammies. Tom's passes accounted for all 34 points, probably an all-time IM record.

Minturn easily marched to the title, outscoring their opponents 180 points to 6 in seven games. That's an average of 25.7 to .86. Tolerable.

The all-star team included Minturn's Tom, Joe Nishimoto, Bob Muirhead, and Ray Coley. Santos was on the second team.

## Frosh Study Hall Continues in Dorm

As a result of findings of a men's dormitory counselors' committee, a voluntary study hall for all freshman men will be continued this term.

The study hall began at 7 p.m. Sunday in French Hall, and will run Sunday through Thursday nights each week.

The committee looked into the grades of freshman men who attended the study hall regularly during winter term, and found that they had raised their grades on an average of .34 points. Several freshmen expressed appreciation of the program, according to the counselors.

The study hall will be on a strictly voluntary basis and will be available for use as the freshmen wish, the counselors emphasized. Freshman men may register for the program by signing up at the study hall any night.

Members of the committee were William Dresser, Sederstrom Hall; Arlo Giles, Stan Ray Hall; Bill Taylor, Barrister Inn; and Bob Thomas, head resident counselor. SIG EPS
