## Co-op Issues New Service Booklet

A new booklet explaining the organization, purpose, and services of the co-op is being distributed in limited numbers to various living organizations on campus. The co-op board has been nearly a year in compiling the booklet, which they hope will clarify any questions relating to the student store. The

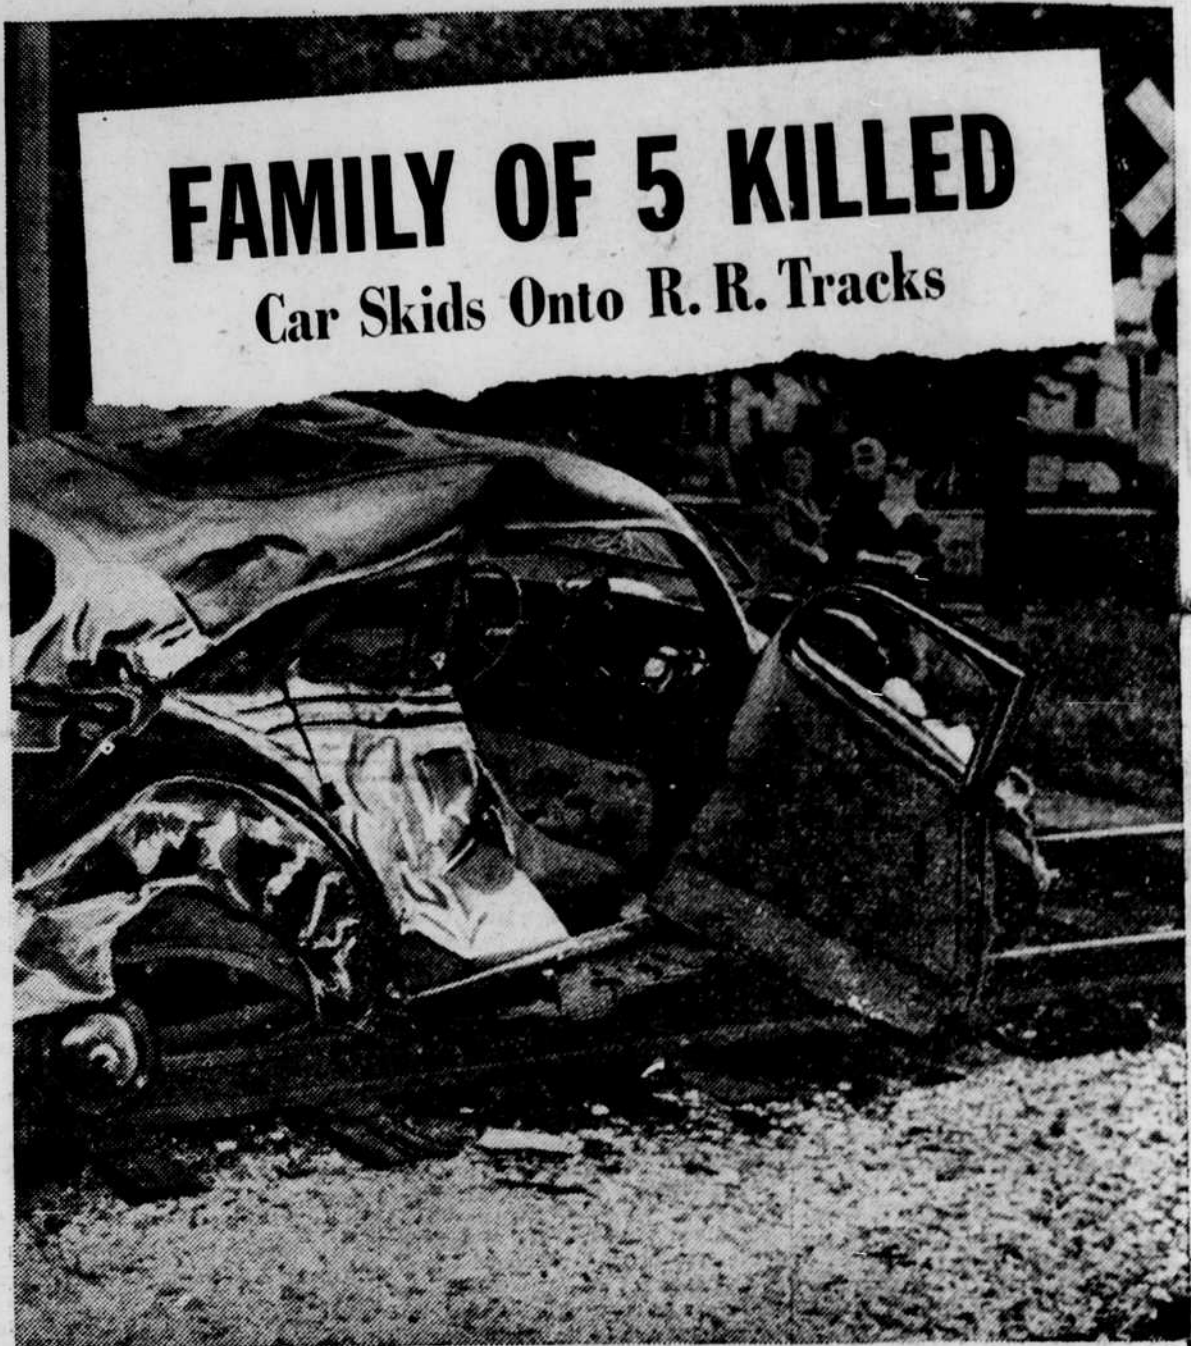

booklet gives a short history of the store, tells who runs it, how it is run, and where the money goes.

Most copies of the pamphlet will be distributed next fall to incoming students, to enable them to be fully acquainted with the co-op from the start.
