and any students enrolled in the graduate and law schools are eligible to petition for board membership.

Applicants must meet University scholarship requirements, have three years of residence at the school, and not hold an elective office established by the ASUO constitution or be a member of the Senate or Cabinet.

Only one-half the membership of the Board is appointed each year, as members serve a two-year term, with the exception that graduate and law school representatives serve for one year. The junior appointed from the education school will fill the remaining year of the two-year term vacated by Carol Udy this year.

the case before the ASUO Executive Council Monday evening. (The Executive Council can hear the case, but cannot take action.) He also told the Emerald that he will talk to University President Harry K. Newburn concerning the suspension. Individuals and houses are behind a move for reinstatement, Peterson said, and he indicated that he hopes for probation for the two basketball players next fall.

Peterson announced Wednesday that he is heading a movement for a new hearing. He stated that he has consulted outside legal advice.

Any appeal for a new hearing of the case would have to be placed before the general faculty Donald DuShane, director of student affairs, suggested, since the Student Discipline Committee is an agency of the faculty. DuShane said that no regular appeal procedure is in existence to his knowledge.

Loscutoff has admitted that the suspension was based on a morals charge. The discipline code adopted by the Student Discipline Committee in 1946 and approved by the President of the University, lists the penalty for offenses of a moral nature as expulsion, or permanent removal from school.

**Petitions Due--- Faculty Quartet Duckling Counselors... Performs Sunday**

Petition deadline for YWCA Duckling Counselors has been extended to 5 p.m. Monday, according to Barbara Johnson, chairman. All freshman girls interested in acting as a counselor to incoming freshman girls next year are urged to petition.

Special petition forms may be obtained from Ancy Vincent, Carson 5, or at the Y office in Gerlinger Hall.

**YW Membership...**

Today is the last chance for any woman interested in being membership representatives for the YWCA to be interviewed by the membership chairman, Jackie Wilkes.

The interviews are being held from 4 to 5:20 p.m. at the YW headquarters in Gerlinger. Any freshman, sophomore, or junior woman is eligible to be interviewed as long as she has an active interest in promoting the activities of the Y, Miss Wilkes said.

The Faculty String Quartet will perform at 8 p.m. Sunday in the Music School auditorium, assisted by a pianist from Portland, Frederic Rothschild. A composition by Francis Bittner, assistant professor of piano, will be featured.

The Quartet will also play Beethoven's "Opus 18, number 5" and Debussy's "Quartet in G Minor," as well as Brittner's "Piano Sonata," which was finished in 1950.

The Quartet is composed of George Boughton, assistant professor of violin, first violin; Mary Kapp Allton, second violin; Edmund Cykler, associate professor of music, viola; and Milton Dietrich, assistant professor of music cello.
