

Duck Diamond Squad Drops Idaho Nine Twice

Kirsch's Crew In Third Place

The Oregon Ducks moved into third place in the Northern Division baseball standings by defeating the Idaho Vandals 9-1 and 7-4 Tuesday afternoon at Moscow.

Coach Don Kirsch's Webfoots, who will battle the Washington Huskies Thursday and Friday at Seattle, now have a 6-4 ND win-loss record and are two games behind the first-place Oregon State Beavers.

Mel Krause, switched from the mound to the first base position, led the Ducks in the first game of the doubleheader by punching four hits, including two triples, in four trips to the plate.

The Vandals collected one run in the initial frame but failed to score in the following innings. Idaho collected only six hits, and the winners smashed a total of 14 safe blows.

Oregon jumped to a one-sided 6-1 lead in the sixth inning of the second game, but the Vandals rallied for three runs in the last half of that frame.

Stan Aune then replaced Oregon starter Jack Pyle and retired the Idahoans, personally accounting for one putout and then forcing the following batter to hit into a double play. The second clash was a seven-inning affair.

Order of the 'O'

The Order of the "O" will meet at noon today in the Kappa Sigma house. The meeting was called by Order of the "O" President Tommy Edwards. All members are urged to attend.

UO Ducklings Take Cinder Win

The Oregon frosh track team rolled over the Willamette frosh on Hayward Field Tuesday afternoon by an 85 1-3 to 45 2-3 margin. Coach Bill Bowerman's Ducklings had too much depth and too many talented athletes for the Bearcats from Salem.

Packwood, who is primarily a pole vaulter, won that event with a leap of 12 feet, 6 inches and was victorious in the 220 yard low hurdles in 27 seconds flat.

Council Okays Qualifications

Letter award requirements for the University of Oregon varsity ski squad members were approved by the Associated Students Executive Council Monday night.

All of the suggestions of a special committee created to study the problem were accepted. The recommendations of the committee consisted of the following:

"1. Skiers placing first, second or third in the Northern Division Championships or Pacific Coast Conference championships would qualify for a major letter award.

"2. In intercollegiate meets where four or more collegiate teams are represented, the members of a team placing first in one of the events would qualify for a major letter award.

"3. A skier may be recommended for a major letter award by the ski coach if in his opinion he merits such an award. This is to take care of cases of an exceptional nature.

"4. It is understood that skiers shall meet the same eligibility requirements as are required of athletes in other recognized sports. This means that for purposes of eligibility the skier must qualify under the regulations of the Athletic Code of the Pacific Coast Intercollegiate Athletic Conference.

"5. It is understood that these requirements shall be retroactive and apply to this year's ski team."

The special committee consisted of Director of Athletics Leo Harris; Order of the "O" President Tommy Edwards; Gene Harlow, who will coach the skiers next winter; and Stu McCollom, a member of the 1951 Duck ski team.

EMERALD Sports

Emerald Trophy Plans Formulated

The first annual Emerald Athletic Trophy will be presented Saturday night during the annual Junior Prom, it was announced Tuesday by Ray Hawk, associate director of student affairs and chairman of the selection committee.

The winner of the award will be selected late this week. The trophy will be presented to the senior athlete who has demonstrated outstanding ability in athletics, scholarship, and citizenship.

Hawk stated that 17 of the 38 senior athletes have met the scholastic requirements for the award and will constitute the finalists.

"I think it is a credit to our athletes," Hawk stated, "that nearly half of the eligibles met or bettered the scholastic requirements necessary for final consideration in the awarding of this trophy. The standards were set high by the committee and it is fitting that such a high percentage proved their ability in scholastic as well as athletic pursuits."

Jointly sponsored by the Oregon Daily Emerald and the Athletic Department, the trophy is the first in Oregon athletic history awarded on the basis of athletics, scholarship, and citizenship.

Every athlete who has either completed his varsity competition or plans to graduate prior to the completion of his eligibility is considered for the award.

The members of the selection committee were chosen as representatives of various organizations or groups. They include the associate director of student affairs, the Pacific Coast Conference president,
