UCLA Assistant Admits Interest In Oregon Post

LOS ANGELES, (UP)—Assistant Basketball Coach Ed Powell at University of California at Los Angeles said yesterday he'd be "very interested in the cage coach job at the University of Oregon vacated by John Warren.

But Powell said he had not been contacted by "any official" of Oregon although he had been approached "informally" by an Oregon alumnus.

Powell, who came to the Los Angeles campus three years ago with Head Coach John Wooden, said his trip to the Oregon school last year with the championship (Southern Division) UCLA hoopsters convinced him Oregon had an "excellent plant."

"I like that layout up there very much," said the 32-year-old mentor, who is rated by Wooden as one of the finest young coaches in the business.

"I've never been officially contacted, but I'd sure be mighty interested."

When he and Wooden arrived they jerked the UCLA team out of the cellar spot and have held the Southern Division crown ever since.

Taylor Worries About Passes

CORVALLIS, ORE. (UP)—Coach Kip Taylor admitted yesterday that Utah's passing attack has him worried, but he promises no drastic changes in the Oregon State offensive or defensive line-ups.

OSC scout Rudy Ruppe reported that Utah's Quarterback Tom Dumlinski is a whiz in the aerial department, connecting accurately on both long and short passes. The Redskins snagged 20 out of 36 passing attempts in whipping Arizona last weekend, 27-7.

Taylor hinted that a number of new Oregon Staters will get a chance to display their talents in the Saturday tilt.

IM Officials Needed

Touch football officials are needed for the fall term intramural sports program which begins Monday afternoon. Interested students should contact Everett Peery, assistant director of intramural sports, in the IM office or main office of the Physical Education building. Standard university wages will be paid.

Dodgers Drop Another; Roe Loses to Braves

BOSTON, (UP)—Brooklyn's National League lead was sliced to half a game today when the Boston Braves beat the Dodgers, 4-3, on two singles and a fielder's choice in the eighth inning. The Dodgers now must win their remaining three games to clinch the pennant if the Giants, who were idle today, win their remaining two games.

UCLA Bruins Prepare For Illinois Eleven

LOS ANGELES (UP)—The UCLA Bruins were reported concentrating on their aerial game Thursday as they drilled behind locked doors.

It was indicated the Bruins intend to meet fire with fire when they tackle Illinois at Champaign Saturday. The Illini reportedly have been given orders to hurl at least 25 passes during the game to take advantage of UCLA's weak pass defense.

'Cas' Unoptimistic, Expects Rebound

Football Coach Len Casanova ran his charges through the final practice session of the week Thursday evening, and still was far from satisfied with their performance on both offense and defense. He plans a special chalk talk today to brief the Ducks on the Arizona team, which is heralded as being very big and very rough. Concerning Saturday's inaugural home clash at Hayward Field, Casanova's comment was far from optimistic:

"I think we'll catch them on the rebound from their loss to Utah," he said, "They are a very large team—they'll outweigh us several pounds to the man, and we should have our hands full with both their passing and running attacks."

Ducks Under Full Strength
The Ducks will enter the game somewhat under full strength, as halfbacks Bob Ashworth and Ted Anderson will be out with leg injuries, and 255-pound tackle Jerry Shaw will probably not see much action because of an injured knee.

Stylish Hal Dunham will start the game at the vital T-quarterback slot. His backfield mates will be diminutive Tommy Edwards, who clicked off several

brilliant runs in the Stanford tilt, and newcomer Tom Lyon, or perhaps speedy Don Sloan at the halfback posts.

At fullback will be either Novikoff, line-crashing star against the Indians, or 190-pound junior Ron Lyman, who has been favoring an injured leg this week.

Lean Monte Brethauer will lead the Duck pass receivers at left end, while ex-Indiana athlete Mike Sikora will hold down left tackle.

Dick Patrick, the Yale boy whose 207-pound heft and two years experience anchor the line, will be at center. At the guard slots will be two hustling juniors, Don McCauley and Emmett Williams.

Bill Bates, transfer from East Mississippi JC, will see action at right tackle, while ex-Los Angeles JC sprinter Leroy Campbell will open at right end. Dick Davenport, tall freshman from Grant high, is also looking sharp at the right wing slot and may see action.

Pennant Chase Still Undecided

NEW YORK, (UP)—For the seventh year in the last eight, it appeared likely today that at least one of the baseball pennant races won't be decided until the last day of the season.

This time, with the Dodgers and the Giants involved, the madness is more intense than ever because the teams authentically hate each other and the feud has spread to the point where fellow subway strap hangers aren't speaking.

The arguments are loud and long but the facts boil down to a good bet for the battle of the big town to continue until the final putout on Sunday afternoon after both teams poured it on to win easy victories Tuesday. The Giants won their fifth straight, crushing the Phillies 10-1, in a night game, while Brooklyn suddenly looked like a contender again after days of mediocrity, pummeling the Braves for a 15 to 5 victory.

Dodgers Need Three
Brooklyn, still protecting a one game lead, played the Braves for the final time yesterday, while the Giants enjoyed the first of two consecutive off-days.

One Win, One Loss
These Ducks will face a team which has a 1-1 record this season, steamrolling over New Mexico 67-13, and losing to Utah, 27-7. The Wildcats are reportedly a strong power team with a preference for slashing over guard and off tackle. In the Utah game, their passing was rather ineffective, as they completed only two out of thirteen attempts. Wildcats to watch would include such men as Gil Gonzales, a junior who scored fifteen TDs for the powerful 1949 frosh, and Curt Storch, hard-running 181 pound fullback.

The Wildcats are not a home-grown team, as only 21 of the 50 squad members live in Arizona. Their coach, Bob Winslow, is a USC graduate who played in the 1939 and 1940 Rose Bowls, and in two years at the Phoenix institution has compiled a record of 6 wins, 13 losses and one tie, not including this season.

Washington, Minus Heinrich, Favored Over Minnesotans

SEATTLE, WASH. (UP)—Coach Howie Odell and a 37-man University of Washington football squad left here yesterday in a chartered plane for Saturday's inter-sectional battle against Minnesota at Minneapolis.

Washington will be seeking its first victory on the Golden Gophers' own stamping grounds, and for the first time, will be favored to win.

Odell said that Phil Gillis, regular left end, probably would be ready for full-time action against Minnesota. Gillis' return to the lineup was expected to help the place-kicking department, where the Huskies were noticeably weak last Saturday against Montana, converting only four out of nine tries.

Sam Mitchell and Dean Rockey, who did so well in filling in for the injured Don Heinrich last week, were again expected to share the quarterbacking duties.

Odell warned his team that Minnesota would be tough. The Gophers are under a new coach, Wes Fesler, who formerly was mentor at Ohio State. Fesler reportedly has added speed and a more diversified attack to Minnesota's offense.
