unlimited capacity for work, acording to O. W. Trapp, tour manager.

"It's not so much that they know what they like, but rather they like what they know," Maj. William F. Santelmann, leader of the band, once said when asked the secretof his formula for program building.

A typical program includes a symphony, a composition by an American composer, a light classic, an overture, a specia larrangement of a popular work, and a march.

Major Santelmann believes that marches still stimulate the greatest audience reaction.

Has Toured America

Since the year 1891 the Marine Band has taken time from official Washington duties to tour America. On a recent tour alone, the band traveled 10,000 miles and played concerts in 21 different states. This year the band will appear in 65 cities, ranging from the eastern coastal city of Chester, SU to Show Film Penn., to Eugene.

The appearance of the band has been officially recognized by the city of Eugene. Thursday has been proclaimed "Marine Corps Band Day" by Eugene Mayor V. Edwin

> livery of equipment and would-be radio performers were forced to present their dramas in a limited manner over station KOAC in Corvallis.

Then, as equipment began to arrive, Feb. 14 was scheduled as the opening date for the campus station pending final construction, equipment testing, program testing and FCC approval. An opening night complete with "live" talent was planned. But a railroad switchmen's strike and consequential delay in delivery of a 20-foot section of coaxial cable cancelled all previous plans.

On Mar. 3 final equipment testing was completed after the testswere approved by the FCC. Nearly

\$1,500 had been spent for facilities of the new station and re-modeled studios were available on the thirdfloor of Villard.

On April 4 the long-awaited broadcast was presented: A special . dedictatory program including a description of standard programs to be aired over KWAX, the hisbody. There will be no admission tory and progress of station, a quiz program, a tape-recorded "sing" and special messages of congratulation were featured on the initia broadcast.

The long struggle for a University radio station, the idea originating in 1921, had paid off. Through the efforts of members of Kappa Rho Omicron, radio honorary, who collected nearly \$2000 in donated breakage fees, and the work of radio-interested students, Oregon had KWAX.

If lost blood can be replaced quickly, the oxygen deficiency is corrected and the shock cycle prevented. The best treatment is whole blood, but it can be preserved for only 21 days.

Next best is plasma, which can be dried into powder and stored for five years without refigeration.

Committee to Cut Rally Petitions

Rally board petitions will be cut donw to 24 at the ASUO screening comimttee meeting today at 4 p.m., Dave Rodway, committee chairman, announced.

The remaining 24 petitioners for the board posts will be interviewed by the committee before Thursday's ASUO senate meeting.

Petitioners for Homecoming chairman will also be interviewed before Thursday's senate meeting. They will be notified as to the time of interviews, Rodway said.

Persons petitioning for the vacant senior representative position on the senate will be interviewed at the Senate meetings.

Rain Postpones Sunday Game

With the New York Giants leading the New York Yankees 2-1 in the 1951 World Series, the fourth game of the series was postponed from Sunday to today because of rain.

The Giants won the third game 6-2 Saturday, behind the pitching of Jim Hearn and Sheldon Jones.

Probable starters for today's game are the Giants' ace, Sal Maglie and either Johnny Sain or Allie Reynolds for the Yank-

The fourth and fifth games of the series will be held in the Polo Grounds. The two teams will return to Yankee Stadium for the sixth and seventh tilts, if necessary.
