## SU Board Approves

(Continued from page one)

Paul Lasker has been appointed chairman for the house committee of the regional Student Union board conference, and Merv Hampton has been appointed entertainment chairman, Donna Buse reported. The conference will be held on the University of Oregon campus November 16 and 17.

### DuShane to Give Main Address

DuShane will deliver the conference keynote address on the topic "The Union in Higher Education."

Hillier brought to the attention of the board that members of the directorate and other committees are not thoroughly familiar with the organization and activities of the board in their entirety, and that the campus did not know the purpose and function of the board.

A committee was appointed to study and find out where the difficulties lie in the publicity department, the committee to be headed by Gretchen Grondahl. Hillier pointed out that the blame was not being placed in any one spot, and that the committee was only appointed to study the system as it is and suggest improvements.

It was recommended the executive board set up a social hour for the purpose of better acquainting the members of the committee and the board.
