

Students Asked To Register Rides For Berkeley Trip

Students who wish rides to Berkeley for the game with California or who have rides to offer are asked to register with rally board members Bob Brittain or Paul Weller. Brittain may be contacted at 5-9698, Weller at 5-9554.

A few round-trip tickets for the Shasta trail which leaves Friday morning for Berkeley are available, according to Weller, but there is no room left on the Cascade which leaves Thursday night.

A chartered bus will also make the trip to the California game if 37 students each indicate willingness to go. Cost would be \$14.76 for the round trip.

Interested students may contact Weller or Brittain.

UO, OSC to Discuss Homecoming Plans

A delegation of University people will travel to Corvallis Thursday to meet with Oregon State students to discuss homecoming plans between the two schools.

The Oregon delegation is composed of Robert Vagner, band director; Lorna Larson, Emerald editor; Bill Carey, student body president; Ray Hawk, dean of men; a representative from the rally board; and an Order of the O representative.

Ex-Dean of J School Relates Experience In Streamliner Crash

(Ed. Note: Cliff Weigle, professor of journalism at Standard university an done time dean of journalism at the University of Oregon, was a passenger on the City of San Francisco when it ramed into the rear end of the City of Los Angeles Monday. He describes the crash and its aftermath in the following dispatch.)

By Cliff Weigle

(As told to United Press)
 EVANSTON, WYO. — (U.P.) — That's as close as I ever want to come to death.

I was sitting in the washroom of the front coach of The City of San Francisco when it plowed into the rear of The City of Los Angeles passenger train five miles west of here Monday.

It was a scene I never want to see again.

Without any warning the train stopped with a terrific jolt and threw furniture across the washroom and banged it against the forward wall. I walked back in the coach and saw passengers and luggage thrown all over the floor of the car.

The car was off the tracks. Practically everybody in our car got a bump of some kind. I got a sore rib.

I looked out of our coach and forward to where our locomotive hit the observation car of The

Students Start Winter Term Pre-registration

Student registration for winter term will begin Monday and continue through Dec. 8, according to the registrar's office.

Registration material may be obtained Monday and Tuesday on the second floor of the Student Union. From Nov. 23 to Nov. 30 registration material will be available at the registrar's office in Emerald hall.

After students have picked up their registration material, they may confer with their advisers and obtain department stamps between Nov. 26 and Nov. 30.

Student affairs' checks on housing and automobile registration will be held in Emerald hall from Nov. 26 to Dec. 8. During this time students may go through fee assessment procedures and pay their fees at the cashier's office in Emerald hall.

It is imperative that students go through the fee assessment procedure and file their cards even though they do not pay their fees at that time, the registrar's office said. If these cards are not filed a fine will be imposed.

Students who do not wish to pay their fees during pre-registration may do so during regular registration, which will be held Jan. 2 to Jan. 7. All persons who have attended the University fall term and plan to continue school must go through pre-registration procedures, according to the registrar's office.

Greeks Plan Jazz Concert For Monday

Plans for sponsoring an appearance of Jazz at the Philharmonic by the Associated Greek Students were told at a meeting of AGS representatives Tuesday afternoon.

However, for the plans to go through, all members of AGS must approve the sponsorship, Larry Dean, president of AGS, said. As of 11:45 p.m. Tuesday, 28 houses had approved the plans with four more yet to report. After approval of the houses, the student affairs committee must also consider the plans, Dean said.

If all necessary steps are hurried, Dean reported, the musical group will appear Monday from 7 to 10 p.m. in McArthur court. Tickets would be \$1.80 per person, with a few special reserved seats at \$2.40. Proceeds from the program would go to the Eugene Crippled Children's Hospital.

Plans Ready

Dean and Stu McCollom, who was one of six Oregon students who originally planned to sponsor the band, outlined the plans to the group. Dean said that all plans for promotion and publicity were or would be made and only the final approval of the student affairs committee would hold up full-scale promotion of the event.

Also during the meeting, Dean announced that Alpha Tau Omega were considering changing their political affiliations. He termed the announcement, "unofficial and off the record," and said that he had received no petitions from the group to that effect.

Dean went on to remind members of the AGS constitution ruling which states that parties returning to the AGS party after having broken affiliations would be kept from nominating candidates for political office for one year following their return.

Ernie Baldini, vice president of ATO an dformer United Students association president, denied the statement when contacted later. He said, "Where the rumor got started is beyond my comprehension."

UO, OSC Meets to Discuss Action Taken on Pay Telephone Problem

Cooperative action between the University and Oregon State on the pay telephone controversy will begin Thursday when UO students travel to Corvallis to meet with an OSC student committee.

Six students from the University will attend. They are Bill Carey, ASUO president; Barbara Williams, Heads of Houses president; Dick McLaughlin, IFC president; Jim Mead, IDC president; Herb Lombard, house managers president; and Lorna Larson, Emerald editor.

The only formal action taken on the situation so far was the passage of a resolution by the Oregon Federation of Collegiate Leaders demanding abandonment of the Pacific Telephone and Telegraph company's phone policy.

Last week the OSC newspaper spoke of a PUC hearing, but no official action has been taken.

Pay phones were due to be installed in OSC fraternities, sororities and cooperatives several weeks ago. The students succeeded in delaying the action until further study of the tariff regulations governing the installation could be made. OSC dormitories already had pay phones, upon request of the ad-
