

GLIMPSES OF BRITAIN'S ROYAL FAMILY

IN HAPPIER DAYS, Elizabeth and her husband, Philip, are pictured during their honeymoon in 1947.

KING GEORGE VI, third from left, showed the effects of his long illness in this recent picture of England's royal family. Princess—now Queen—Elizabeth is to the right of her mother, Queen Elizabeth. Princess Margaret Rose stands on the King's left.

THE LATE KING posed for this formal portrait in the uniform of the British Army.

THE QUEEN MOTHER, Mary smiles for the photographer. This picture was taken at the christening of Princess—now Queen — Elizabeth's daughter Anne last year.

EDWARD, DUKE OF WINDSOR, and his wife Wallis, the woman for whom he gave up the English throne in 1936. He has left for England—without his wife—to be present at the funeral of his younger brother, George VI.

PRINCESS MARGARET, sister of the new Queen.
