New Law Study Offered by USC, Open to Juniors

A new program of study for the Bachelor of Laws degree, open to graduates of two-year colleges and students who have completed two years of college, will be started by the University of Southern California School of Law in September.

Applicants for admission are required to take the national Law School Admission Test, which will be given on April 26 and August 9. Information concerning the test and application blanks for admission to the SC School of Law may be obtained upon request to the Office of the Dean, School of Law, University of Southern California, 3518 University Avenue, Los Angeles 7, California.
