 . . . of the three AGS candidates for ASUO president in the AGS primary Monday appears on page 7 today.

## Delta Tau Delta Drops Sophomore Because of His USA Candidacy

Tom Shepherd, sophomore in political science, was depledged from Delta Tau Delta Tuesday because he refused to drop his candidacy for junior class president on the United Students association ticket.

Shepherd moved out of the fraternity Wednesday and into Gamma hall.

Shepherd said he talked to several members of the house during and after a chapter meeting Monday night, who intimated he might have to drop his pledge if he continued as a candidate.

"One member told me he was afraid I couldn't stay in the house but would see what he could do about it," Shepherd said. "Another said that they couldn't have USA pledges in the house that there was only one alternative for me; either give up the USA aspirations or be depledged."

Bob Shetterly, Delta Tau Delta fraternity president, said Thursday, "I think he's made up a lot of stories."

### "Brought Upon Himself"

"The action was taken by Tom and was solely brought upon Tom by himself," Shetterly said. "He felt by following the policies of USA that it would be the right thing for him. The unanimous vote of the chapter proved that we cannot have divided loyalty within the house." (Shepherd said some of the members did not attend the meeting.)

"We felt that his actions were detrimental both to this house, to the AGS party and to Tom," he said.

Shepherd said he was told that he could state his case at lunch Tuesday but was later informed "it wouldn't be such a good idea what with outsiders there."

"They told me Monday night that if I didn't run on the USA

ticket, they might be able to get me a position on the AGS ticket." But, he added, the members who spoke to him said he should have told them of his ambitions earlier.

### Compared to Herb Nill

Shepherd said they told him the house had already "exchanged their votes with other houses," that his running on the USA ticket would hurt them with AGS "like Herb Nill had ruined Theta Chi's chances and Herb Cook, Sigma Chi's chances, by doing what they did." (Nill ran as a non-partisan candidate for ASUO president in 1950. Cook was independent candidate in 1951 for Junior class president.)

He said they told him USA was composed of "frustrated fraternities and neurotic sororities who couldn't get anything anywhere else so they turned to USA."

To Shepherd's statement that he was told that Bill Frye, running for ASUO president in the AGS primary, had promised the house a senatorship if they supported him, Shetterly replied, "Bill Frye promised me nothing; no arrangements were made."

Frye, in a statement Thursday night, denied the validity of Shepherd's statement.

### "With All Honesty"

"With all honesty I deny having made a single commitment in my campaign. Political mud slinging is really getting dirty when a person has to fight something like this. My qualifications are a much more concrete basis for getting votes than promises I would not make."

Shetterly and another member of the house said they might have been able to help Shepherd if they had known he was interested. But, they added, Shepherd had told them nothing, Shetterly saying he had heard of Shepherd's candidacy

from other sources, and Shepherd was "the one that brought it up."

Shetterly also contradicted a statement by Shepherd that when Shepherd had pledged, it had been with the understanding that he

## Has Anybody Seen A Weathervane?

Someone climbed to the top of the Alpha Gamma Delta house Wednesday night—and swiped the weather vane.

But the women aren't particularly upset over their loss.

We're glad to get rid of it," said one. "It was crooked."

## Collin, Haycox Pass Screening, Will Seek USA Nod for Presidency

Don Collin and Jim Haycox have been selected by the United Students association screening committee to run for the ASUO president nomination in Wednesday's USA primary election.

USA members will vote Wednesday to select the ASUO and class nominees who will run in the all-campus election April 30.

The Associated Greek students will screen petitioners for that party's nominations at 3:30 p.m. today in the meeting room of the Side, excluding the candidates for ASUO president.

So far in the AGS presidential race, Pat Dignan, Bill Frye, and Mike Lally, are seeking the nomination and will be voted on in a primary election Monday by AGS party members.

If one of these candidates does not receive a majority of the vote, a second and possibly a third runoff election may be necessary between those with the highest vote, AGS President Larry Dean has explained.

Dick Davis and Helen Jackson were selected to run for the USA senior class president nomination. Merle Davis and Dolores Parrish will run for the senior representative post.

Junior class president aspirants are Dick Hollenbeck, Ben Schmidt and Tom Shepherd. Ila Edwards, Earl Fowler and Bob Simpson will run for the junior representative nomination.

Milan Foster and Don Rotenberg will run for the office of sophomore class president. Sophomore representative nominees are Aloys Brown, Judy Ellefson and Mary Whitaker.

Nominated for the senator at large positions are Aloys Brown, Pat Choat, Don Collin, Dick Davis, Merle Davis, Judy Ellefson, Milan Foster, Earl Fowler, Jim Haycox, Dick Hollenbeck, Helen Jackson, Al Karr, Jim Lancaster, Judy McLoughlin, Peter Moe, Don Rotenberg, Ben Schmidt, Tom Shepherd, Bob Simpson and Mary Whitaker.

Several of the ASUO and class officer nominees are also on the ASUO senate list. This was done so that a person who lost one nomination would still have a chance to win senate-at-large nomination, USA Interim Chairman Virginia Wright explained.

If the candidates not approved by the screening committee obtain the signatures of 50 USA members they can appear on the ballot. The petitions should be turned in to Virginia Wright, USA interim chairman, at Alpha Xi Delta.

The same agreement between parties regarding class offices as was made last year will be used again this year, Dean said. Only two candidates for each set of the four class office positions, president, vice president and two representatives, will be run by each party in the general election, assuring the election to some class post of all candidates.

## No Phone Shift In Dorms Now, Says DuShane

"It is evident that nothing will be done this year" about the pay phone situation in the dormitories, Director of Student Affairs Donald M. DuShane stated to the ASUO senate Thursday night.

He added that W. C. Jones dean of administration has written telephone officials, requesting that dormitories receive phone service similar to that in fraternities and sororities.

DuShane also told the senate that he was not happy with the phone situation.

### Six Other Actions

In other action the senate (1) passed all athletic award recommendations for basketball and swimming, (2) defeated a motion that senators contribute \$1 apiece to help pay for a scheduled \$175 senatorial banquet, (3) "accepted" as a basis for further discussion" the report of the primary investigating committee, (4) passed and then defeated a motion to reduce the ASUO president's salary, (5) heard reports from the Orientation Leadership Training Program and Election committees, (6) and created an honor code trust fund and a Constitutional Investigating committee.

Also during the meeting, ASUO President Bill Carey stated that he had sent a letter to the Eugene City council Thursday, asking them to spend whatever portion of the \$20,000 bond issue provided for by the voters of Eugene necessary to clean up the Millrace and increase the rate of flow.

### Wright Raises Question

The phone question arose when senator Virginia Wright stated, "I'd like to know about the phone situation in the dormitories."

"They still have phones there," senator Tom Barry replied.

DuShane then made his statement, explaining that the phone company probably will want to study the situation during the remainder of the present school year.

Miss Wright later remarked, "I'm still not happy with the phone situation." "Neither are we satisfied with it," DuShane answered. He added that "I would certainly raise no objection" if the Emerald

## The Easter Story

"Lo, I am with you always, even unto the end of the world." --Matthew 28.20

**A**FTER the Crucifixion, Joseph of Arimathea, a prominent man, obtained permission from Pilate to lay Jesus away in a special tomb. Joseph, Nicodemus, Mary, the Mother of Jesus, and Mary. His aunt wrapped the body of Christ in linen and anointed His body with embalming spices according to the tradition learned from the Egyptians.

On Sunday, the third day after the death on Calvary, Mary of Magdala came to the tomb before dawn with more spices to anoint the body. To her horror she found the tomb empty and ran to tell the others.

Later in the day two other Marys came to the garden and they too, were astonished to find the heavy stone of the tomb rolled back. A young man wearing a white robe was sitting on the right side of the tomb and said to the women:

"You seek Jesus of Nazareth who was crucified. He is risen! He is not here! Behold the place where they laid Him. But go, tell His disciples and Peter that He goes before you into Galilee; there you should see Him; as He told you."

Thus the prophecies had been fulfilled. The Son of God was killed on Calvary for the sins of man and in three days he arose from the grave as a promise of everlasting life to the followers of his teachings.

## Community Easter Sunrise Service to Feature Student Participation, Talk by State Senator

By Phil Johnson

"Why Seek Ye the Living Among the Dead?" is the topic of the Easter message which will be presented at the annual Community Easter sunrise service at 6:30 a.m. Sunday in McArthur court.

State Senator Philip S. Hitchcock of Klamath Falls will give the Easter message. Sen. Hitchcock, who is vice-president of the Oregon Council of Churches, graduated from Washington State college in 1926. While at Pullman, he was a member of Phi Kappa Phi, national honorary scholastic organization.

He later was president of West-Hitchcock corporation, Klamath Falls machinery and truck dealers, and in 1941, he became Kiwanis lieutenant-governor. He was elected president of the Pacific Northwest Kiwanis district in 1943.

### Active in Aviation

Hitchcock became president of the Oregon State Aviation council in 1945, and in 1947 he was a squadron commander of the Civil Air Patrol and was elected presi-
