

Dignan, Frye, Lally to compete In AGS Presidential Primary Today

Pat Dignan, Bill Frye and Mike Lally will oppose each other for the Associated Greek students nomination for ASUO president in a primary election today.

Squads with the ballots and ballot boxes will visit all AGS member houses during dinner this evening, AGS President Larry Dean announced.

Each house will have a maximum quota of ballots that can be cast, depending on the number of members and pledges, Dean explained.

The winning AGS candidate for the ASUO No. 1 post must have a majority of the vote, Dean said. In the event that none of the three running polls a majority, a run-off election between the top two will be held Tuesday evening in the same fashion.

The ballots will be counted this evening at Alpha Chi Omega. The candidates or their representatives will be present to observe the counting.

Screening of candidates for the remainder of the ASUO, class and party offices will be completed Tuesday, Dean said. AGS representatives will meet Thursday to consider any further nominations and hear speeches from the candidates. Final approval of the party slate will be made April 22. The

Science Building Dedication Set

The dedication of the University's new \$1,600,000 science building April 25-26 will bring four of the nation's top scientists to the campus.

The principal address of the two-day dedication will be given by Alan Tower Waterman, formerly with the office of naval research and now director of the National Science Foundation. He will lecture Friday night, April 25, on "The National Science Foundation." He will also participate in the dedication ceremonies Friday afternoon and in a Saturday afternoon panel discussion on "Preparation for Science."

Other top flight scientists who will be here for the dedication ceremonies are G. W. Beadle, chairman of the division of biology at the California Institute of Technology, Pasadena, Calif.; G. Ross Robertson, professor of chemistry at the University of California at Los Angeles, and S. H. Allison, head of the institute for nuclear studies at the University of Chicago.

Special 50-minute seminars, followed by half-hour discussion periods, will be conducted by each of these three men on Saturday, April 26. All four of the guest scientists will participate in the Saturday afternoon panel, the chairman of which will be E. G. Ebbighausen, associate professor of physics in the University.

Royalty Selection Deadline Tuesday

The deadline for submitting names for Junior Weekend queen candidates has been extended to 5 p.m. Tuesday, according to Pat Bellmer, queen selection co-chairman.

Names may be turned in to the Junior Weekend office, room 303, Student Union. Absolutely no candidates will be accepted after the deadline, Miss Bellmer said.

Both men's and women's living organizations may select a candidate with the following requirements to be met: Junior standing with a 2.00 cumulative GPA and a 2.00 last term. Judging will be based on poise, appearance, conversation and personality.

all-campus election is April 30.

This is the first year AGS has had a primary election. In past years, selection of the entire AGS slate for the all-campus election was done by the representatives, each member house having one vote.

The primary to select the AGS presidential candidate was introduced to make the selection more representative, Dean said, as the candidate would be selected by popular vote of all members and not by house vote in which all houses, large or small, carried the same weight. The primary was made an amendment to the AGS constitution.

Reason for not including all AGS candidates in the primary was to prevent confusion and difficulty in having a primary election for all candidates, Dean explained.

Cook Joins USA Nomination Race

Herb Cook has entered the United Students association race for the USA nomination for ASUO president, joining Don Collin and Jim Haycox, and will run in Wednesday's USA primary election.

Cook, in accordance with the USA constitution, has turned in a petition signed by 50 USA members. He had previously petitioned to be put on the ballot, but was screened out by the USA screening committee.

A petition to put Helen Jackson, at present a candidate for the USA senior class president nomination, on the ballot for ASUO president is to be circulated today, Jack Smith reported Sunday.

Petition deadline for those obtaining the necessary 50 signatures to be placed on the ballot is 5 p.m. "absolutely" according to USA Interim Chairman Virginia Wright. The petitions are to be turned in to Miss Wright.

Candidates running in the USA primary will speak in a meeting at 4 p.m. Tuesday in the Dads Lounge of the Student Union.

The primary election, in which all USA candidates for ASUO and class will be voted on, will be held Wednesday. Polling booths will be placed on campus and in dormitories, the exact location to be announced later. All students who are not members of the Associated Greek student party are eligible to vote in the primary upon presentation of their student body cards.

Orientation Boss Applications Asked

Petitions for orientation chairman, who will be responsible for next fall's freshman orientation program, are now being accepted in the ASUO office in the Student Union.

Deadline will be April 21 (Monday) at 4 p.m. Any freshman, sophomore or junior this year is eligible. Petitioners will be interviewed at the April 22 senate meeting.

Jean Gould, this year's chairman, stated, "The program is very new as a student function, having just been fully executed last year, and there is much room for improvement and much to be gained from a careful study of last fall's program."

A full week's activities are planned and executed by the chairman and his committee in coordination with the office of student affairs.

Information about the position may be obtained from Donald M. DuShane, director of student affairs, in his Emerald hall office, or from Miss Gould at Kappa Kappa Gamma.

Kefauver to Visit Campus in May; Will Give Talk

Sen. Estes Kefauver, one of the foremost candidates for the Democratic presidential nomination, will be on campus May 12 and will speak in McArthur court at 8 p.m. that evening.

Senator Kefauver is coming to the campus through the cooperation of the Lane county Kefauver-for-president committee and his talk on campus is being sponsored by the University assembly committee.

His appearance is in line with the assembly committee's program

SEN. KEFAUVER
To Visit Campus in May

of extending invitations to speak here to all presidential aspirants.

Senator Kefauver was a member of the House of Representatives from 1939 to 1949 and was elected to the Senate in November of 1948, representing his home state of Tennessee. In the Senate he is a member of the armed services committee and the committee on judiciary.

Senator Kefauver has had great success in the primary elections held in several states, preparatory to the Democratic convention which will choose the party's candidate. He won the New Hampshire primary, defeating President Truman.

Since that time, Truman announced he would not be a candidate and Kefauver has gone on to win the Nebraska and Wisconsin primaries. He also won the Illinois primary over a small write-in vote for Governor Adlai Stevenson, who has been talked of as a candidate and possibly a running mate for Kefauver.

3000 Hear Senator At Easter Service

More than 3000 worshippers—students, faculty members and townspeople—braved early morn-showers to attend Easter sunrise services in McArthur court.

The crowd heard Sen. Phillip Hitchcock of the state legislature criticize the citizen of the "material age" for being afraid to step out and believe in God's teachings.

Musical portion of the program was provided by the Eugene High choir under the direction of W. H. Brockway. The choir sang "The Creation" by Richter and the Hallelujah chorus from Handel's "Messiah."

ASUO Senate Defeats Reduction Of President's Present Salary

The ASUO president's salary was discussed at last week's ASUO senate meeting and Senator Virginia Wright's motion that the June salary be reduced from \$60 to \$30 was defeated by a 12-10 vote.

Voting in favor of the reduction were Merv Hampton, Don Collin, Herb Cook, Cece Daniels, Arlo Giles, Al Karr, Helen Jackson, Judy McLoughlin, Wright and E. G. Ebbighausen (associate professor of physics.)

Opposed were Mary Baker, Bob Bosworth, Tom Barry, Bob Brittain, Jim Light, Jane Simpson, John Tonack, E. R. Bingham (instructor in history), Pat Dignan, Bill Frye and Mike Lally.

Another issue in which the vote divided along party lines was Miss Wright's motion that the \$175 senatorial banquet scheduled for May 14 be partially paid for by a \$1 levy on each senator. Miss Wright argued that the expense would amount to about 10 per cent of the ASUO budget.

The Vote
Voting in favor of the levy upon each senator for the banquet, which Frye termed "a token of appreciation for what has been done," were Hampton, Collin, Cook, Daniels, Giles, Gould, Karr, McLoughlin, Wright, and Ebbighausen.

Opposed were Abel, Baker, Bosworth, Barry, Brittain, Dignan, Frye, Lally, Light, Jackson, Simpson, Tonack and Bingham.

Dignan Presents Recommendations
Chairman Dignan of the Primary Investigating committee presented these committee recommendations:

1 That nothing immediately be done to create an ASUO primary in the present election campaign because not enough time is available and both parties already have primaries.

2 That screening of candidates be done by parties, with class officer candidates required to have petitions with 50 signatures and

Business Meeting Begins Tuesday

The 1952 session of the Student Business Conference will open on the campus Tuesday under the sponsorship of the school of business administration. The conference will run through Thursday.

During the afternoons of these three days, businessmen from Eugene, Portland and other Oregon cities will meet with small student groups to discuss with them the problems in the various areas of business as seen by the businessmen themselves.

Businessmen and women from the fields of insurance, banking, merchandising, real estate, accounting, secretarial work and other fields will be present to discuss their personal experiences in their chosen fields. Certain specialists work, such as the lumber industry and public utilities, will also be analyzed.

The conference will be held in the Student Union and the sessions will be open to all students and local businessmen.

A. B. Stillman, professor of business, is chairman of the committee from the school of business which is planning the conference.

ASUO candidates required to have about 100 signatures.

3 That students be barred from voting for candidates for offices in classes other than their own.

4 That a deadline for ASUO officer petitions be set before party primaries.

5 An open primary is "desirable."

6 That primaries be financed by ASUO funds.

7 That the committee report be accepted if an ASUO primary is adopted.

Volunteers for Positions
Volunteering for positions on the Constitutional Investigating committee were Wright, Collin, Frye, Dignan, Jackson, McLoughlin and Cook. Miss Jackson volunteered for the committee chairmanship and was appointed.

The married students' request for polling places at the Amazon region and the Skinner's Butte project was discussed and DuShane reported that a plan to place voting booths in the Vets' dorms was once declared unconstitutional. No action was taken by the senate.

Spring Rushing For Gals Near

Spring term rushing for women will begin Saturday and Sunday with open houses in all sororities. Sign-up deadline is Thursday, April 17, in the office of the director of women's affairs.

Half the living organizations will be open each day of the open houses and all rushees will be required to attend them. However, any women interested may attend the open houses, whether they are rushing or not. Those who attend the open houses and decide afterwards to rush will be able to sign up at Carson or Hendricks the Sunday evening.

Two Dates a Day
The rush period will last from Monday, April 21, until Sunday, May 4. No rushing will be held April 25 through April 27, Duck Preview weekend, or May 2 and 3, the days of the mock political convention.

April 21 and 22, there will be two dates each day, the first from 4 to 5 p.m. and a second from 6 to 7 p.m. Houses will be open to rushees during only one hour of these two days. Rushees may attend all four dates.

Three dates will be held April 23 and 24 from 4 to 4:40, from 4:50 to 5:30 and from 6:30 to 7:10 p.m. Houses will be open for all three rush periods but a rushee must attend a different house during each rush period.

No Rushing April 30-31
No rushing will be held until April 30 and 31 when there will be three dates, from 4 to 4:40, 4:50 to 5:30 and 6:30 to 7 p.m. Houses will be open for all dates during those two days but again a rushee must attend a different house during each day's rush period.

Preference day will be Sunday, May 4, following the mock convention. Third choice dates will be from 3:45 to 4:45 p.m. and first (Please turn to page six)
