

Spike Jones and His Musicians Will Play in Arena Ballroom

Spike Jones will play in the Arena ballroom April 22.

Sponsored by the Order of the O, Oregon's lettermen's club, and the local Junior Chamber of Commerce, the musical madman and his "Depreciation Review of 1952" will feature Sir Frederick Gas, the City Slickers and Jones' wife, Helen Grayco.

Two years ago Jones played before a crowd of 6000 persons in McArthur court. The Arena ballroom holds 3000. His band will again use the pink tubas and col-

ored clarinettes used on his last Eugene appearance.

Tickets are on sale at the Big Y Market, Graves Music and Art, Thompsons Music Store and the Chamber of Commerce office. Ticket sales will begin on the campus in the near future.

Money taken in from the Jones appearance will be used by the Junior Chamber of Commerce to defray costs of the seventh annual Jaycee Junior Amateur Golf tournament Aug. 9-16 to be held at the Country club.

Board Approves Honor Banquet

A recognition banquet for members of Student Union directorate, board and committees and three additional coffee hours were approved by the SU board Wednesday evening.

Three coffee hours, which will bring to five the number planned this term, for the honor code, ASUO presidential candidates and Henri Barzun, author and visiting lecturer, were scheduled by the board.

Resignation of Board Member Donna Bernhardt was submitted by chairman Ralph Hillier. The board tabled discussion on installation of a loud-speaker for the soda bar and the ballroom committee report.

Mary Ellin Moore was named permanent chairman of the recorded music committee following in-

terviews with prospective candidates.

On recommendation of Directorate Chairman Clyde Fahman, the board approved a special committee which will study the past year's activity pool setup.

A request that the board sponsor Sigmund Rascher, saxophonist, was referred to a special committee. Robert Vagner of the school of music made the recommendation.

CAMPUS CALENDAR

Monday, April 14, 1952

I am Industry-1952

Ushered into a new world,
I had a bustling, brawling, bruising youth.
I was a potential giant awakening in a world of giants.
People were hurt when I first stirred in life;
Then I grew and learned;
Then I matured and knew that
Though I work with water and metal and chemicals and fire,
I am more than these things.
I am the people's work!
I am the people's dream!
I am the people!

With maturity, I have grown, too, in social responsibility,
To the people,
To America!
And even to those beyond our shores.
My efforts are not in selfish interest;
Rather, all my brain and brawn strives for the good of the many.
I am the American way!

Now, I have sworn that these things shall be:
I shall deliver ever-better products to those who use my fruits!
I shall offer equal opportunity to those who work at my side.
Whatever their race!
Whatever their creed!
Whatever their color!
Whatever their national origin!
I shall forever do my part to keep America great!

And why?
Because only in this way can I remain a healthy force in our free world.
For when I am healthy, America prospers
And tyrants tremble before my might.

I am America's life-blood!
I am America's strength!
I am the bulwark of the World's freedom!

Board Surveys Mentor Training

Teacher education in Oregon will be under study during the six-month survey being sponsored by state board of higher education.

Earl W. Anderson of Ohio State university, recently appointed research director for the survey committee, will arrive in Oregon June 15 to begin the study.

The Ohio educator was recommended by T. O. Holy, who conducted the survey of public schools for the legislature last biennium.

The need for the survey arose from several factors, according to Travis Cross, director of the division of information of the state system. Among these are the current teacher shortage at the elementary level and the present allocation. A recent point of controversy was the granting of the program for the degree of master of science in education to the three state colleges of education.

Results of the survey will be submitted in a comprehensive program of teacher education and submitted to the chancellor, if possible by the time the next legislature meets so that any necessary legislation might be acted upon. Two additional outside consultants will work with the committee and Anderson on the final report.

Survey committee chairman is J. F. Cramer, dean of the general extension division of the state system of higher education, who has been ill since February. Viron A. Moore, assistant dean of the general extension division, has been serving as committee chairman in Dean Cramer's absence.

New Officers Elected By Legal Fraternity

Williams chapter of Phi Alpha Delta, national professional legal fraternity group in the Oregon law school, has elected new officers for the 1952-53 school year.

New justice is Thomas B. Brand, vice-justice is Robert Boyer, and clerk is Leroy Ehlers. All are fifth-year law students.

J. Kelly Farris, past-justice of the fraternity, was elected official delegate to the 50th anniversary convention of Phi Alpha Delta which will be in Chicago, Ill., Aug. 27-30.
