

### Two ROTC Students to Visit West Point, Live as Cadets

Bill Tuck, senior in general science, and Alan Kershaw, junior in business, will visit the U.S. Military Academy at West Point, New York, Apr. 24 through 27.

They will return to the campus after the trip.

The two men, both advanced army ROTC students, were selected to take the trip by Lt. Col. J.

H. Cunningham, professor of military science, on the basis of suitability. They will join 112 ROTC students from other colleges at West Point.

Purpose of the trip is to allow ROTC students to become more familiar with the life and training of a cadet at the military academy. While at West Point Tuck and Kershaw will live as cadets. They

will have a cadet escort who will take them to classes and to meals. They will live in cadet barracks. Also scheduled are military demonstrations by the 1802nd Special regiment, a tour of the post and entertainment in the form of movies, athletic events and a hop.

Over four week-ends, some 444 senior ROTC students will go to West Point as part of the overall indoctrination program.

### Board Petitions Due on Monday

Petitions for membership on the 1952-53 Student Union board are due Monday. Petitions can be obtained and turned in at the box outside the program director's office in the SU.

Joint committee interviews will take place from April 28 to May 1 with final appointments made by University President H. K. Newburn.

No student with an office in the ASUO senate or cabinet may be a member of the SU board. This, however, does not disqualify those who hold office now but will not next year.

Six positions on the board are open. One representative will be chosen from the schools of education, journalism and business and the college of liberal arts to serve for two years.

Qualifications for these representatives are junior standing with a minimum of three terms at Oregon.

One member from the law and graduate schools will be chosen for one year.

Candidates will be selected for previous service to the Student Union and for scholastic standing. General ability as evidence by participation in other fields of campus activity will also be considered.

### Phi Theta Petitions Are Due Friday

Deadline for petitions for membership in Phi Theta Upsilon, junior women's honorary, is Friday. Applications may be turned in to Jody Greer at Pi Beta Phi.

Petitions for Kwama, sophomore women's honorary, are due Monday and may be turned in to Joan Marie Miller also at Pi Phi.

Phi Theta will select enough petitions to fill their quota of 20 members and Kwama will tap 30 for membership.

Qualifications for Phi Theta are as follows: Applicants must be of junior standing by next fall, and have at least a 2.4 accumulative GPA. Quantity and quality of activities are judged.

Kwama petitioners must be of sophomore standing by next fall and have at least a 2.00 GPA. Activities do not need to be listed in any particular way. A picture of the petitioner must be included.

Regular petitions obtained on third floor of Student Union are to be used.

### Correction

The scholarships offered by Delta Delta Delta are for an incoming junior and an incoming senior, not a junior and sophomore as previously reported.

Award for the junior will be \$350 and for the senior \$250. Applications are in the office of the director of women's affairs, Mrs. Golda P. Wickham and are to be returned by Monday.

### 3938 in School; Guys Outnumber Females, 2 to 1

At the end of the second week of spring term 3938 students were enrolled in the University, 147 less than last term's enrollment of 4085 and an 11 per cent drop from last year's spring term enrollment of 4414.

The men continue to outnumber the women on campus about 2 to 1 with 2564 against 1374 women. Both men and women dropped considerably from last year's spring term count.

The senior class leads in enrollment with 980 members. The senior class is also the only class which can boast a larger enrollment than last year's senior class which had 808.

### Freshmen Second

Second in enrollment is the freshman class with 767 students. The freshman class dropped 22 per cent for the same period from last year's freshman class of 979.

The junior class follows in third place with 740 students. This figure is an 11 per cent drop from last year's junior class of 828.

The smallest class, the sophomores, have an enrollment of 729. This class shows the greatest drop in enrollment from last year's spring count which was 1047 to make it a 30 per cent drop.

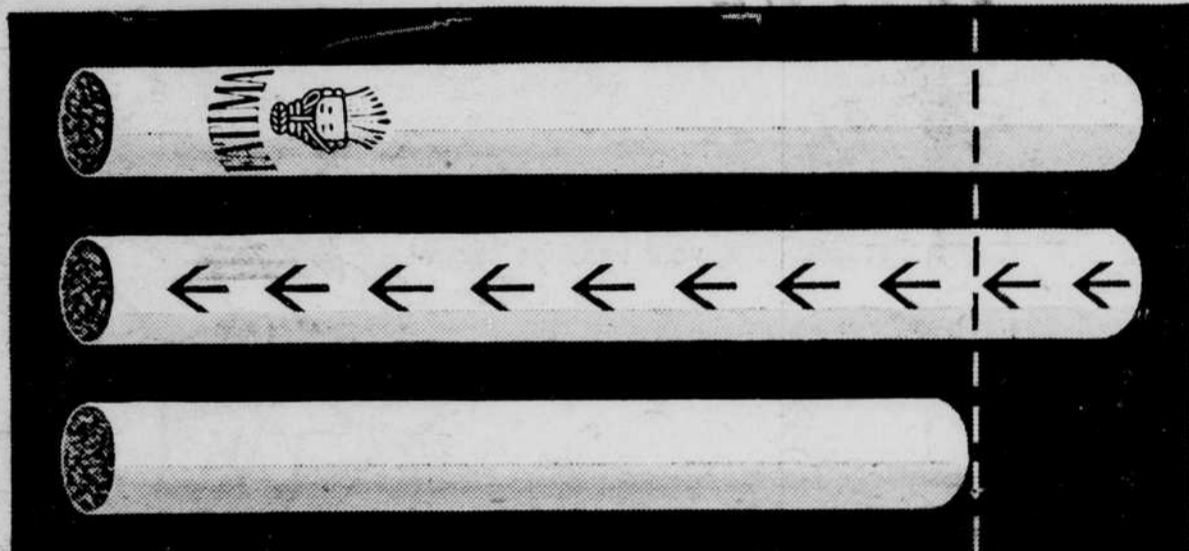

### 156 Special Students

There are 156 special students listed and 566 graduate students. The special student count dropped 5 per cent while the graduate student count dropped 4 per cent.

The college of liberal arts leads the schools in enrollment with 2576. Other enrollment figures are:

School of business administration—470, architecture and allied arts—293, education—219, health and physical education—133, music—79, law—73, journalism—58, and general studies—37.
