GREATEST BLOW ON EARTH

OR—

BUFFALO BILL'S SQUARE DEAL

In the days when it took a real Composer to know a Grace Note from a seventh inverted minor chord, there was a Freshman named Orgatroyd whose Aunt had told him the Piano was the Fast Track to popularity on Campus and thereafter. He believed her and took lessons.

Being tone Deaf, Orgy kicked the Dashboard out of the family Steinway over missing a Coeducational Picnic in order to practice "Forest Echoes". In college, some other Student with the ivory touch was always making Orgy's Schubert sound like hydraulic Brakes. This frustrated our Boy. Next, he met a Brunette. She was cold to Cacophony but a Set-up for Sonnets. He took to writing her Sequences, for which he had a gift. But she was getting Mail by the bushel. His Vaporings were tossed out with the Bills.

Desperate, Orgy got. Then he saw a sign that said "Just Call Western Union". His next Sonnet hit the Brunette on a Yellow Blank that even She could scan. Her mother invited Orgy Home for a Meeting. Today he is a Foreman in his Mate's Father's Gold Rolled Mill.

Violinist to Give Recital Sunday

Robert Groth, violinist, will present his senior recital at 4 p.m. Sunday in the music school auditorium. He will be accompanied by Dorothy Pederson, pianist. The recital is open to the public.

Groth has been a student soloist in the orchestra concert for outstanding students this year, as has Miss Pederson. He plays first position violin in the University orchestra and is also a member of the University student string quartet.
