Bowling Lessons Given Today at 4

Another in the current series of bowling lessons being presented by SU recreation director Louis Bellissimo will be held today at 4 in the SU basement.

Given twice each week, the les-sons cost 40 cents with an addi-tional 10 cent charge on bowling shoes for students without them. The next lesson will be Wednesday from 4 to 5.

Jim Casper of the SU recrea-tion committee is organizing the series.

Senior Pianist Will Give Recital Today

Frances Baum, pianist, will pre-sent her senior recital, partial ful-fillment of the requirements for the degree of bachelor of music, at 8 p.m. today in the School of Mu-sic auditorium.

Miss Baum's program will con-sist of "Fantsia in C Minor (K. 396)" by Mozart; "Rondo Brill-ante" by Weber; "Sonata in A Flat (Opus 26)" by Beethoven; "Arabesque" by Schumann; "Noc-turne in D Flat Major, Opus 27, No. 2" by Chopin; "Rhapsodoy in E Flat Major, Opus 119, No. 4" by Brahms; "Sarabande (from "Pour le Piano") and "L'isle Joyeuse" by Debussy.

Continues Tonight Dance Instruction

Tonight the SU recreation com-tee's dance lessons will gain a new feature.

The 7:30-to-9:30 p.m. DST at-traction in the Dad's lounge will expand onto the terrace, weather permitting.

A continuation of winter term's lesson schedule, the dancing will include a stronger emphasis on in-dividual desires rather than group instruction. For those desiring special attention dance instructors Bill Owen and Ray Henderson will be on hand. Owen instructed danc-ing in the winter term program.

The samba, rhumba, fox-trot and waltz are to be featured as special-ties in the instruction routine. Pure social dancing will be the keynote of the evening, however. Virginia Johnson of the recreation commit-tee has organized the spring term dance lessons and will be in charge of arrangements this evening.

New Draft Quotas Set; SSS Test Announced

A defense official announced last Friday that present plans call for drafting 610,000 men during the 12 months beginning July 1-or 136,400 more than this fiscal year.

Maj. Gen. E. C. Lynch, director of the defense manpower require-ments division, said in an interview the draftees will help replace 1,080,000 men being released from active duty and add 110,000 men to the armed forces to reach the 3,700,000 total President Truman has requested by July, 1953.

The remainder of the gap will be filled by 70,000 recalled reserves and an expected 520,000 enlist-ments and re-enlistments.

Lynch said that tentative calls for July, August and September have been set at 31,000 per month.

University of Oregon students who are eligible to take the Selec-tive Service System college qualifi-cation test but have not done so will be given the opportunity Thursday, May 22. This is the last chance for students to take the deferment test this year.

The test is being given for those who have not turned in applications for the test previously and those who were prevented by illness or other emergency from taking the tests scheduled either Dec. 13, 1951, or April 24 of this year.

New applicaton blanks must be submitted since the cards of admis-sion to either of the former tests will not admit the registrant to the May 22 examination. The appli-cations must be postmarked not

later than midnight May 10.

Students at Oregon may apply for the application blanks at the Eugene at the Eugene Armory, local board No. 13. They need not return home to the local board which has jurisdiction over them.
