## Cherney Defeats Sigma in Final IM Softball Tilt

Tuesday's intramural softball game between Cherney hall and Sigma hall rang up the curtain on the 1952 regular season's play. The freshmen from Cherney had to go a long way to secure the 10 to 5 victory over their Sigma elders, but in the final analysis it could be seen that they outshone their opponents in about every field.

Bob Hinman was the winning chucker in the contest; he was never in any really serious trouble, but when some did appear to arise, he calmly laid down the law.

## Harris To Present Trophy Friday Night

The second annual Emerald Athletic Trophy will be presented at the Junior Prom to the Oregon senior athlete judged most outstanding in athletics, scholarship, and citizenship.

The award, co-sponsored by the Emerald and the Oregon athletic department, will be awarded by Athletic Director Leo Harris at the intermission of the Prom Friday night.

Last year's winner was Jack Keller, basketball guard. This year there are 30 seniors in the varsity sports, but the list is considerably narrowed down by the requirement that the winner have completed a minimum of 150 hours college credit with a cumulative GPA of 2.50 or above.

Another criterion which must be met is that the athlete must have completed his PCC eligibility, or else be in a position to graduate before another season of competition in his sport or sports.

The winner of the award was decided Friday at the second annual meeting of the Emerald Athletic Trophy committee. Members of the committee are Dean Orlando J. Hollis of the Oregon law school, Athletic Director Leo Harris, Eugene Register-Guard Sports Editor Dick Strite, Athletic News Bureau Director Art Litchman, Emerald Sports Editor Bill Gurney, Order of the 'O' President Jim Livesay, Director of Men's Affairs Ray Hawk, and ASUO President Bill Carey.

Hawk served as chairman and

### Perry Requests 'Mural Scorecards

It was announced Tuesday afternoon by Everett Perry, Assistant Director of Intramural sports, that unless all tennis and golf scorecards are turned in on the day that the match is played, the match will be forfeited. The same penalty holds if the games are not played on schedule or if no arrangements are made with the PE department beforehand.

Litchman as secretary for the second consecutive year.

#### First of its Kind

The Trophy is the first award to be established at the University of Oregon for the recognition of combined athletic ability, scholarship, and citizenship. Again in 1952, the aim of the committee was to select a winner who was well qualified in each of these areas, and one who would be a fitting representative of the highest type of athlete.

## Webfoot Netmen To Meet Aggies In Return Match

Oregon State will get another chance at Oregon's highflying tennis team in a match to be played this afternoon on the University courts. Singles play will get under way at 3:00 p.m. daylight time or 2:00 p.m. University time.

This afternoon's match marks the second meeting this season between the two squads, with the Ducks edging out OSC in the first match, 4-3.

However, Coach Bob Laurence expects his boys to play a lot better on their own courts, (which are of a little different composition than the Aggies') than they did in the Corvallis meeting.

An interesting feature of the match will be the first singles duel between Tom Macdonald and Stater Don Megale. In their Corvallis outing, Megale downed Macdonald for the first time in his tennis career. Macdonald turned in a somewhat below average performance that day, but judging from his last two showings against Idaho and Washington State, has since regained his form. At any rate, he'll really be out to reverse the decision.

Laurence plans to change his singles lineup around a little for this afternoon's match. Macdonald,
