## We'll Lunch Indoors In Case of Rain

If it rains Junior Weekend, and that's what the weatherman predicts at the present time, the Weekend luncheon will be held in McArthur court, the luncheon committee has announced.

If skies are clear the noon meal will be served on the Old Campus between Fenton and Friendly halls.

Serving at the luncheon, which will begin at 11:45 a.m. (DST) Saturday, will be done by members of Kwama, sophomore women's honorary; Skull and Dagger, sophomore men's honorary; Phi Theta Upsilon, junior women's honorary; and Alpha Phi Omega, national men's service honorary.

## Library Cup To Be Awarded

The Josephine Evans Harpham Silver Cup will be awarded at the All-Campus Sing to the living organization which has shown the greatest interest in its house library program during the year.

The cup will be retained by the winning organization until the next annual award is made. University House is in current possession of the cup. Former winners have been Alpha Chi Omega, 1949-50; Delta Delta Delta, 1948-49; and Rebec House, 1947-48.

Any student living organization which participates in the house library program is eligible to compete for the award.

Judging will be based on the number of books borrowed per student in the house, quality of books borrowed, range of reading interests represented by books borrowed and the improvement of reading during the year in amount, quality and range. A fifth criterion will be the grade point averages of the houses during fall and winter terms.

Judges are Donald DeBrodt, instructor in English; L. Mildred Wilson, instructor in home economics, and Bernice Rose, browsing room librarian and readers' advisor. Carl W. Hintz, head librarian, will make the award.

The award was established by Mrs. Everett E. Harpham of Eugene, a graduate of the University of Oregon, to stimulate appreciation of the fine arts and to develop good reading among students.

## Trophy Stolen; Search Covers Two Campuses

Where is the float parade trophy?

That is the question bothering Bob Baker and Ward Cook, members of the Junior Weekend float parade committee.

The Alpha Delta Pi's, who won the women's division trophy last year, reported that it had been stolen. The men, whose job it is to locate the trophy, were referred to the Beta Theta Pi house and the Alpha Tau Omega house. Or perhaps it might be at the OSC Alpha Tau Omega house, the ADPi girls said.

The Beta's were contacted. They hadn't seen it. Then they went to the Oregon ATO's; they didn't have it either. The float committee is now contemplating a trip to Corvallis in the search for the float parade award.

Anyone who knows the whereabouts of the trophy has been invited by the committee to report to Jim Owens, float parade committee chairman, soon. The parade is Saturday.

## He'll Speak Here

The talk, under the auspices of the University assembly committee, will be given at 8 p.m. DST. A question period will follow.

**"What's his race or religion got to do with it—  
He can Pitch!"**

You admire this kid, don't you? He's got guts enough to stand up for his pitcher against the whole opposing team.

It's up to each of us to keep disunity from our families, our community and our country.

But this kid has more than guts! He has grasped one of our very oldest American traditions—that men and women have the right to be judged on the basis of their individual merits. Being "foreign" is nothing against an individual—nor is his race—nor is his religion.

Make sure that you are not spreading rumors against a race or a religion. Speak up, wherever you are, against prejudice, and work for better understanding. Remember that's being a good American citizen.

Accept or reject people  
on their individual worth
