Minturn Starts Early

Titlelist Minturn started out early in the year as it copped both the football championship and the "A" and "B" volleyball crowns.

These three fall term championships gave the Minturnites a commanding lead in the total point race. Winter term saw them in a slight slump, as they did not win any league titles.

This spring Minturn took runner-up spots in softball and tennis, to augment their total further.

Betas Cop Softball

The second-place Beta outfit boasted the softball title as its biggest accomplishment, along with a second place finish in football, and a third in tennis.

Sigma Chi, which finished third a scant seven points behind Beta, fielded a potent track team which powered its way to a victory.

Just three points behind Sigma Chi was Alpha Tau Omega, in fourth place with 747 markers.

None of the first four teams took either of the two basketball championships, Nestor hall taking the "A" loop diadem, and Phi Delta Theta winning in the "B" section.

Points Vary

Points are awarded for first place winners ranging from 75 to 150, with touch football, "A" volleyball, "A" basketball, and softball winners getting 150;

Fell, Anderson on Doubtful List as Big PCC Meet Nears

Oregon's two ailing dash aces, Ted Anderson and Bill Fell, are still on the doubtful lists as entries in this weekend's PCC track championships at Hayward field.

Doug Clement will be ready and also ran well Tuesday. With Clement back in the lineup and either Fell or Anderson ready by Saturday, Bowerman might enter a mile relay team.

Today the squad will begin to taper down in its workouts except for the pole vaulters and other field event men who will continue to work hard.

Decathlon Set For May 27-28

The Oregon Physical Education club will sponsor a decathlon open to all living organizations on campus on May 27 and 28.

Three men from each entering organization will compete, and their points will be totaled to determine the winning team.

Each man's points will also count toward individual medals. A trophy will be given to the individual performer who gets the most points.

There are a total of 20 awards. (Please turn to page five)

Saturday's events will start at 4 p.m. in the afternoon and will not conflict with the OSC baseball game scheduled for 12 noon.

Other outstanding performers include Sim Iness of USC, holder of the American discus record; George Brown of UCLA, the third best all-time broad-jumper and possible record breaker; Rod Rich-

USC's domination should not shadow the fact that Oregon has the top men in three and possibly four events: Emery Barnes, Chuck Missfeldt, Jack Hutchins, and Bill Fell.
