

RE-INTRODUCED

Wrestling Club Forms on Campus;
Opening Workout Slated Tonight

The school of Physical Education has announced it will again introduce wrestling at the University of Oregon, although, at first, only in the form of a club.

The first workout will be held tonight at 7 p.m. in the wrestling room of the Physical Education building. Further sessions will be held Tuesday and Thursday evenings throughout the Winter term. All equipment with the exception of gym shoes will be furnished.

The re-introduced program will be under the sponsorship of Bill Denman and P. O. Temko. Both instructors are former members of collegiate wrestling teams.

This year will provide a "building year" and no inter-collegiate competition will take place. It is hoped that several exhibition matches can be held at the end of this season with a schedule with

nearby schools to be arranged for next year.

It has been stressed that no previous experience is necessary as instruction will be given. All weight classes will be represented in this program. Continuation of the program will be determined on the interest shown by the students.

Portland's Hopper
Manager of 1952

LOS ANGELES (AP)—The Pacific Coast League Baseball Writers association has picked Manager Clay Hopper of the Portland Beavers as the manager of 1952. Hopper polled a 5 to 3 vote in nudging out Manager Tommy Heath of the San Francisco Seals. They were the only managers nominated for the honor. Portland finished the season in fourth place.

Feather weight Johnny Dundee, 124 pounds, once again defeated Pepper Martin in 1923. This Pepper Martin is not the Pepper Martin of St. Louis Cardinals "Gas House" days.

Jack Dempsey, the legendary "Nonpareil" of boxing, lost his last bout to Tommy Ryan Jan. 18, 1895.

Borcher Prepares Hoop Artists
For Washington State Series

By Rick Tarr

Emerald Sportswriter

Basketball Coach Bill Borcher put his squad through the last hard practice Wednesday before meeting the Washington State Cougars this weekend. The starting five of Barney Holland, Ken Wegner, Chet Noe, Ed Halberg, and Keith Farnum drilled on defensive play against a Cougar offense simulated by Alex Byler, Howard Page, Harlan Mickey, and Freshmen Jerry Ross and Ray Bell.

Borcher gave the defenders a warning about the big (6'9") center, Dave Roberts and his close-in hook shots. Rebound screening was next on the list of drills as the Duck cagers have been losing the

important battle of the boards in games up to now.

After brief work on offensive plays by the starters, two full court scrimmages rounded out the afternoon's practice. Ray Bell, ineligible freshman, played well on both offense and defense

TV Committee
Readies Report

WASHINGTON (AP)—The NCAA's television committee finished its job for 1952 but said nothing about the results.

The committee will present its yearly report and its recommendations for 1953 at a round-table session today, but chairman Bob Hall of Yale isn't talking much until then.

At a news conference, Hall said his committee had agreed upon a plan for 1953, that it was convinced that controlled football TV was legal, and that it would welcome further suggestions from interested parties on, as he put it, "how to live with television."

Enough rumors got out of the meeting today to indicate that controls of football TV won't be relaxed next fall but may be even tighter. Surveys by the NCAA have shown that even the limited amount of football allowed on the air during the past season caused a dip in attendance.

Pitcher Wilhelm
Signs with Giants

NEW YORK (AP)—Relief Artist Hoyt Wilhelm is the first New York Giant pitcher to sign his contract for next season. No figures were announced but he is believed to have accepted a \$12,500 salary—nearly double his earnings in 1952 when he was a rookie.

Wilhelm led the National League in won and lost percentage with 15 and 3 and in earned run average with 2.43—the first rookie ever to win both honors.

Leahy Unconcerned

SOUTH BEND, Ind. (AP)—Coach Frank Leahy of Notre Dame says he is perfectly satisfied with the proposed rules changes affecting the so-called sucker shift.

Notre Dame has been accused of using the shift to lure the opposition into offside, especially near the enemy goal line. The football coaches rules committee recommended a change in the rules which would outlaw the sucker shift.

Leahy said the change would not eliminate the shift at all at Notre Dame. It would merely mean changes in the operation of offensive line play, concluded Leahy.

Bruin Coach Says
California Center
Outplays Houbregs

LOS ANGELES (AP)—One of the nicest compliments you can pay a basketball center these days is to say he's almost as good as Bob Houbregs of the University of Washington.

Another Bob, Bob McKeen of the University of California team, has a booster who goes beyond that. And the booster is the coach of a rival team, John Wooden of UCLA.

McKeen is a big reason why the California Bears defeated Wooden's UCLA quintet twice last weekend. The Bruin coach regards McKeen as the best center he has been since coming to the West Coast some years ago. And Wooden says:

I think he's better than Washington's Bob Houbregs. He has more moves and he plays better position."

Coach Chuck Finley of the Idaho basketball team has planned a defense against Houbregs—but without much enthusiasm. Idaho's Vandals meet the Washington Huskies this weekend at Seattle. Coach Finley glumly says none of his boys will keep Houbregs from scoring, but Dwight Morrison will try, anyway.

Morrison, a forward, will have the job of covering—or trying to cover—big Bob. Morrison has an inch in his favor. He's 6-foot-8 to Houbreg's measly six-seven.

Gavilan to Defend
Welterweight Title

CHICAGO (AP)—Kid Gavilan will defend his welterweight title for the fifth time when he meets challenger Chuck Davey in a 15-round bout on February 11 at Chicago stadium.

Davey is undefeated in 38 pro bouts and was NCAA champion while attending Michigan State.

for the scrubs and looked good enough to make the varsity.

The last time Jack Friel brought his two platoon system into McArthur court a year ago he was trimmed two straight nights by the identical score of 59 to 45.

This year the Cougars, minus seven of last year's starters, have had one of their most disastrous pre-season schedules in history with little promise of better things during the Northern Division action.

The sophomore studded platoons have seemed unable to find the basket with any consistency. Perhaps their hottest night was in the first game with USC in Los Angeles during the holidays when they built up a 15 point halftime lead with dead-eye shooting.

But in the second half it was the usual story and the rough and tumble Trojans closed the gap and won in the final minutes.

Two Unbeaten
Swimmers Top
Oregon Roster

Yoshinubu Terada, undefeated in the 150 yard individual medley and Gordon Edwards, undefeated middle distance swimmer are the top prospects on this year's swimming squad, according to John Borchardt, coach.

Edwards, a senior, has not been beaten in three years of varsity competition. Last year, he set a new conference record in the 440 by beating Jack Medica's time of 4.48.6 by four seconds.

Lacks Reserves

Although Oregon is expected to have a good team, Borchardt fears lack of reserve strength may hurt the team's chances during the course of the season. Failure of Clarence Kato, Allan Wahinshoua and Pete Charlton to return to school was an unexpected blow to the team's chances.

"Not knowing the strength of either Washington or WSC teams, prospects for a good year are unknown", Borchardt stated. Both of the Washington teams have had strong squads in the conference for the last several years, he said.

MAC Meet Sought

A tentative meet has been scheduled with Multnomah Athletic club of Portland for January 24. On January 31, the team will participate in the state AAU meet to be held in Portland.

Returning lettermen include: Edwards, Terada, Jim Allan, Henry Kaima, Harry Fuller and Phil Lewis. New men are Orlando Mathias, Ken Cardwell, Bob Muirhead and Douglas Ruhliam. Herb West, Harry Atkinson and John Endglish are the returning non-lettermen.

Low Marks Drop
Three Hoopsters

Three University of Oregon frosh basketball players will have to sit out the remainder of the season because of scholastic ineligibility. They are Jack Viskov, Ray Bell and Jerry Ross. Emery Barnes, varsity Webfoot defensive end and ace high-jumper, has been dropped by the university, but may take an extension course in order to re-enter school.

On Jan. 16, 1936 a photo-finish camera was used at Hialeah. Hialeah publicity department contended that it was the first track to use the device.

The plush Hialeah Park, 10 miles from Miami, Fla., was opened 28 years ago this month.
