

Senior and Sophomore Positions open in YWCA

Petitions for both elective and appointive offices in the YWCA senior and sophomore cabinets are due by Jan. 28 in the offices of the YW, according to Jane Simpson, vice president.

Elective offices in the senior cabinet open to petitioners are president, second vice president, secretary, treasurer and upperclass commission chairman. Appointive offices in the senior cabinet which are open include sophomore advisor, two program coordinators, international affairs, membership, worship, religious growth, public affairs, service chairman, house and social, publicity, promotion, and conference chairmen, and junior advisors.

Sophomore Cabinet

Elective positions open in the sophomore cabinet are chairman and secretary. Appointive offices open are membership, publicity, duckling counselling, social, service, finance, chaplain, promotion, and members-at-large chairmen.

Women who petition for the positions will be interviewed by one member of the nominating committee and Mary Elizabeth McDowell, director of the YW, during the first two weeks in February.

Interview Purpose

The purpose of the interviews will be to find out the interests and qualifications of the petitioner and to exchange ideas about the total program of the YW as it affects the needs of Oregon students, according to Miss Simpson.

Nominations in writing, signed by the nominator, will also be accepted by the YW, Miss Simpson stated. Any member of the association may nominate a candidate in this way, she said.

Greeks to Vote On Four Houses

Final action on a petition from four Greek houses asking for reinstatement in the Associated Greek Students political party will be taken Jan. 26 when that body meets to vote on the request.

According to the AGS constitution definite action affecting the four, Alpha Xi Delta, Delta Upsilon, Lambda Chi Alpha and Sigma Alpha Mu, can not take place for a period of two weeks after the petition or resolution is presented to AGS.

The four houses are currently members of the United Students association, a coalition party composed of Greeks and independents. The houses petitioned for reinstatement in AGS near the end of fall term.

Lambda Chi, never a member of AGS, will enter the party if the petition is accepted.

Nothing-no, nothing-beats better taste and **LUCKIES TASTE BETTER!**
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?
You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
