Petitions For SU Chairmanships Extended Until Friday by Zavin

Petitioning deadline for four Student Union chairmanships has been extended one week according to an announcement made Sunday by Don Zavin, vice-chairman of the SU board. The new deadline is Friday at 5 p.m.

New chairmen are currently being sought for the recorded music and art gallery committees of the Student Union. Included in the duties of the art gallery chairman is the responsibility of bringing exhibitions of classic, contemporary and student art to the SU. The recorded music chairman is in charge of the listening rooms and record lending library and also arranges a regular series of listening programs.

An active interest in either bridge or billiards is the chief requirement for the special events chairmen to handle coming campus tournaments in these fields. The National Intercollegiate Bridge Tournament will be held here from Feb. 19 to 21, and will be followed by the Intercollegiate Billiard Tournament Mar. 5 to 19. A chairman is needed for each of these events.

Williams to Attend Two Conferences

Dick Williams, Student Union director, will leave campus this week for a business trip that will take him to California and Nevada for two conferences.

First stop on his itinerary will be San Francisco where a meeting of the Pacific Coast conference publicity managers will be held Jan. 21 to 23. Williams will then travel to Reno, Nev., to consult with University of Nevada officials on their new student union building. His stay in Reno will last from Jan. 24 to 28.

Carol David Elected As AWS Secretary

Carol David, freshman in liberal arts, has been elected secretary of the Associated Women students congress. She replaces Norreen Johnson who did not return to school this term.

In other business of the congress, Marlas Johnson, Jane Bergstrom and Paula Curry were appointed to meet with the AWS cabinet to evaluate the work that the congress did during winter term and the work being done this term.

Professor Begins Publishing Trend

A new trend in book publishing may occur because of an idea of an Oregon professor.

Charles T. Duncan, associate professor of journalism, recently wrote to Bennett Cerf, president of Random House, asking why information about an author is never found in the permanent pages of a book.

"We at Random House have decided to put this idea into practice immediately," Cerf replied to Duncan, and added that reader response had been favorable.

But you've learned nothing till you've found

Nothing-no, nothing-beats better taste

and **LUCKIES**
TASTE BETTER!
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-GO LUCKY!

It's always an occasion when
A box comes from the folks—
'Cause inside are those Lucky Strikes
For cleaner, fresher smokes!
