

A Tribute to Dad

Hats off to the Joe's, the many men, the fellows we admire.
To make you feel at home, Dads, is our foremost desire.

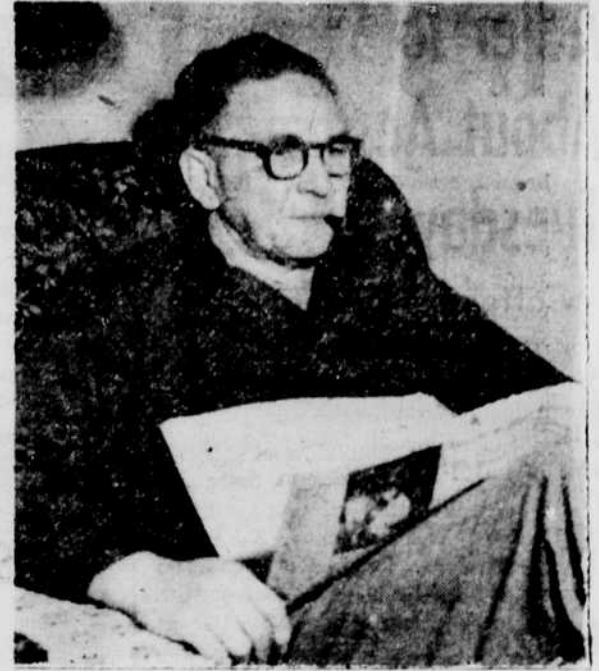

All through the years you've worried and worked and have always understood.

All through the years you've loved and cared, as only Fathers could.

Here's to the gent who's time is spent in pleasing his gals and lads

Here's to the many wonderful pals . . . Our own dear Oregon Dads!
