Creative Arts Workshop Calls For Committee Petitions Today

Petitions for positions on the Campus Creative Arts Workshop general committee, as well as for chairmanships and positions on the various sub-committees, are due today at 5 p.m. They may be picked up in Student Union 301

and 310 and turned in at the same place.

This special event of the SU will be presented spring term to display all aspects of the creative arts in progress on campus, according to Valerie Cows, general chairman.

2 Billiard Tourney Events Cancelled

Two events in the Intercollegiate Billiards tournament are to be dropped due to conflict with final exams, according to John Schafer, special events chairman for the event.

The co-ed and men's three cushions tournament will not be held as previously planned, said Schafer. Men's pocket billiards and men's straight rail events will be held on Mar. 5 and 11, respectively.

Eliminations for the two events are to be conducted in the basement of the Student Union Friday: men's pockets at 6:30 p.m. and

straight rail at 8 p.m. Three men and one alternate in each division will be selected at that time to represent the university in the tournament.

Physics Professor To Lecture on Stars

"The System of Stars" will be the subject of a coffee hour lecture to be delivered in the Student Union browsing room at 7:30 p.m. Friday. E. G. Ebbighausen, associate professor of physics, will give the lecture.

AF Commissions To Be Extended

An Air Force lieutenant, who is assigned to the Portland international airport weather bureau, will speak Wednesday to all senior air force ROTC students and all other interested seniors concerning application for direct commission in the United States air force reserve and assignment to basic meteorology graduate training next September.

All college seniors who will have graduated by June with credit for one year of college physics and mathematics are eligible for reserve commission. All persons who are interested should contact 1st Lt. Laird McKee at the ROTC department today.

McKee will speak in the 8, 9, 1 and 2 o'clock senior air force ROTC classes. Colonel Emory Bruns, head of the department of military science and tactics, said that the classes would be open to all students, whether in ROTC or not.

After completion of the basic weather course the officers will receive basic training and then be assigned to an air force weather station.

Nothing no, nothing beats better taste
and **LUCKIES TASTE BETTER!**
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?
You know, yourself, you smoke for enjoyment.
And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother!
Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco.
L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy—GO LUCKY!

An honor key he's wearing;
He won it proving Luckies best
By tearing and comparing!*

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
