Philadelphia house, Oregon's Christian men's co-op, will hold dedication and open house Sunday, February 22, beginning at 2:30 p.m. at their newly-acquired home at 754 East 13th, formerly occupied by Delta Upsilon.

26 Members

Extensive repainting and readjustment has been made on the three-story house which was purchased for Philadelphia house in December, 1952, by a newly-formed corporation called the Newton Foundation, whose aim is to provide material aid toward developing Christian living organizations in institutions of higher learning.

Philadelphia house's present membership totals 26 with total accommodations in the new house for 40 persons. House officers include Alvin Rollier, senior in anthropology, president; Elmo Schiewe, junior in business, house manager; and Ron Johnson, junior in architecture, social chairman.

Second Co-op

After first starting as a club in fall, 1949, Philadelphia house became the second men's co-op on the campus in 1950, with a total of 29 charter members residing at the former Pi Kappa Phi house at 968 Alder St.

In its brief three-year history, Philadelphia house has entered numerous campus activities including the annual all-campus sing, intramural sports, junior weekend float parade, and homecoming events. The house also garnered the scholarship cup for two terms during their initial year of existence.
