Petitions for chairmen of the 1954 Religious Evaluation week are due April 9, according to Russ Walker, executive secretary of the YMCA.

The reason for the early choosing of the chairmen, according to

### Movie Group Gets Chairman

Arlie Holt, senior in history, was named new chairman of the Student Union movie committee by the SU board last term.

Holt will replace Ann McLaughlin, junior in education, who did not return to school this term. He will serve in his new capacity through spring term.

Social dance instruction will not be carried out under the SU program this year. A committee report on this matter noted that such a program would merely compete with the ballroom dancing classes conducted under the University curricula.

Ward Cook, chairman of the publicity committee, recommended to the board that spring term members of his committee be delegated as publicity representatives on each of the other SU committees to handle press releases and posters.

Further action of the board included the appointment of D. P. Hatch, instructor in art, as faculty representative on the art gallery committee and selection of Virginia Dailey, junior in journalism, as a delegate to the national convention of college student unions to be held in San Francisco April 14 to 18.
