examples of these he cited the beginnings of two world wars and the dropping of the first atomic bomb.

"Death, the last of the defeats, results in loss of loved ones and loss of leadership," the speaker said.

Christ's early followers suffered these same three defeats. Yet Christ's resurrection changed them from a dejected, despairing group to a dynamic force in the world. He brought a completeness and wholeness into their lives, Odell said.

He asserted Christ can help us conquer our defeats, to, if we have the realization that there is eternal life—the power over death.

When it's Springtime on the Campus maybe Auntie will start Springing too

A certain Senior, who shall be Nameless, was all tangled up in an Unfortunate Situation. The Big Spring Weekend was just three days away; his Number One Girl was lined up; the blueprint called for Substantial Resources—and he was, to put it bluntly, Busted. Furthermore, his Credit Rating was Strictly Slow Music.

Nameless, however, being a man of Considerable Ingenuity, even though Insolvent, was nothing daunted. His strategy was simple: a quick reconnoiter in his book of Family Statistics, two minutes of inspired composition, and a fast call to Western Union.

The Big Weekend went like a Breeze. Our Boy cut a Super-Swath—and paid for it. Cold Cash. Sunday night he escorted his Dream Girl down to the 10:12, then headed for his Cubicle, tired but happy—pausing only long enough to throw a Heartfelt Kiss toward the windows of the local Western Union office, and to gaze fondly once again at a crumpled telegram. It bore this wallet-warming message: "Thank you for your Telegram and for your sweet thought. Even an old lady likes to have her birthday remembered. Hope the money order will prove useful." Signed "Aunt Jane."

As we said, a man of Considerable Ingenuity. One of the Nicest Things about a Telegram is that it does More than you Expect of it. Whether you're Prying Open the Parental Purse, Greeting Your Gal (or Guy) or Jockeying for a Job, anytime you want "Yes" for an answer, ask the question via Western Union.
