

# Lopsided Wins In Mural Mound Play

In intramural action yesterday, Phi Delta Theta panted Pi Kappa Phi, 12-2; Sigma Phi Epsilon whipped Phi Kappa Sigma, 12-2, on the no-hit pitching of John Weaver; Sigma Alpha Epsilon out-slugged Pi Kappa Alpha, 13-10; Delta Upsilon edged the Sammies, 4-3.

Sigma Nu humiliated Phi Sigma Kappa, 18-2; and Beta Theta Pi walloped the Phi Kappa Psi nine, 13-1.

## Phi Delts Rally

Pi Kappa Phi enjoyed a two point lead over the Phi Delts for one and a half innings, but in the bottom of the second, the Phi Delts exploded for eight big runs on six hits, three walks, and one Pi Kappa Phi miscue.

The two lone Pi Kappa Phi tallies came about as a result of a hit, a walk and an error.

Gene Lewis pitched three hit ball for the winners and helped his own cause along with a hit in one official time at the plate.

## Sig Eps Win No-Hitter

Sigma Phi Epsilon had little trouble disposing of the Phi Kaps, 12-2, as John Weaver spun out a no-hitter. The loser's lone run came in the top of the first on a walk and a fielder's choice.

The Sig Eps crowded all their tallies into one inning, the first, when they sent 17 batters to the plate and came off with 12 runs. Nine walks, and two errors fit nicely into a four hit barrage by the winners during the inning.

## SAE's Edge Pi KAs

In a ball game in which the number of walks equalled the number of hits, the SAE's outran their Pi Kappa Alpha opponents, 13-10. The winners were outhit, 8 to 5, but made the best of four errors and nine walks.

SAE drew first blood by combining one hit, two walks and four

errors in the first frame for six big runs. They collected two more in the second on three walks; another pair in the third via two walks and a hit; and three more in the fourth on three safeties and two free tickets to first base.

Pi Kappa Alpha came right back in the bottom of the first with four counters. A singleton was scored in the second and another quartet crossed the plate in the third.

## DU's Nab Close One

Delta Upsilon jumped to four early runs in the first inning and held the lead, despite a three run Sammie outburst in the second, to come out victorious for the second straight time, 4-3.

Delta Upsilon pitcher, Frank Johnson, held the opponents hitless for the last three frames.

## Phi Sigs Blasted

Sigma Nu clobbered the hapless Phi Sigma Kappa crew, 18-2, in a hearty slugfest yesterday. Only two Phi Sigs failed to strike out before the slants of Gary Meyer, winning hurler, in the three innings.

The biggest Sigma Nu inning was the second when the winners pounded out nine hits, to go with three walks. Both teams played errorless ball.

## Beta Murders Phi Psi

Beta Theta Pi followed suite and turned in a lopsided score as it whipped the Phi Psi's, 13-1. Harlan Mickey, who pitched a no-hitter Monday, missed making it two in a row by one single.

# Ducks Test Beavers Again; Duane Allen Breaks Leg In Linfield Win

Coach Don Kirsch's baseball nine travels to Oregon State this afternoon where it will engage the Beavers in a return diamond contest. The Aggies have previously whipped Oregon, 8-2, at Eugene.

This will be the seventh game for the Ducks who have now compiled a creditable four win and two loss record.

At OSC, the local diamond aggregation will run up against the defending Northern Division co-champions and entrants last year in the NCAA national finals.

Thus far this season the Beavers have not reached the form which took them so far last year. The Orange and Black have a little over .500 average, with five wins and four losses. Two of the losses were to Willamette, power in the Northwest conference.

Ralph Coleman for twenty-two years has been at the helm of the Oregon State team and in that time has produced six Northern Division titlists.

Bolstering the host squad are an all-letterman infield and two of the Corvallis school's leading pitchers. The Beaver hopes suffered a heavy jolt, however, when second sacker Danny Johnson suffered a concussion on the Beaver's pre-season California jaunt.

Oregon likewise will not go into the fray at top strength for Duane Allen, promising sophomore, broke his leg in an accident on the diamond against Linfield Tuesday.

Although this battle will not count toward the Northern Division championship, it will still provide observers with a good idea of strength of the two Oregon teams.

DON KIRSCH  
Baseball Headman

Oregon's Ducks chalked up two more victories in their preseason schedule Tuesday night, winning 12-1 and 5-2 in a pair of diamond contests with the Linfield Wildcats at McMinnville.

The victories were costly ones, however, as Duane Allen, sophomore recruit from San Bernardino Junior college, broke a leg in a collision on the basepaths with Ernie White, Linfield runner, during the first game.

## Seven in First

Oregon lost no time sewing up the first encounter, jumping on Linfield's starting itcher, Ruecker, for seven runs in the first frame. The run producers were sparked by Catcher Neal Marlett who cracked out a bases-loaded triple.

Earl Averill, who, by the way, was the Oregon batting star, pounded out the first of his two homers with one on in the top of the fifth, to give the Duck batters plenty of insurance.

Bill Blodgett went the seven inning route for the Ducks, allowing only four Wildcat hits.

## Almost Blow Lead

The night cap was a different matter, though, as Oregon almost blew a 5-1 lead in the bottom of the fifth and last inning. After collecting three counters in the first and a singleton in each of the second and third frames, the winners settled down until the last of the fifth.

Trent Huls, Oregon mound man, got himself into trouble at that time by issuing four consecutive walks. Farrell Albright, strong righthander, came in to put out the fire, but not without first forging in another Linfield tally on another free pass to first.

## Averill Homers Again

Oregon had tentatively wrapped up the contest in the top half of the first when Al Murray singled, Walt Gaffney doubled, and Averill cleaned up the bases with his second four-bagger of the day.

Besides his two homers, Averill clouted a single and a double in six official trips to the plate to lead all hitters.

## Pin Tourney To Open Saturday

The long awaited Northwest Regional Collegiate Bowling Tournament, to be rolled on Saturday, April 11, at the Erb Memorial Student Union alleys, is the next big sports event on the Oregon campus.

The bowling competition will be an all-day affair. The first three games of the six-game team roll-off is the first event of the tourney; it is set for 10:00 a. m., Saturday morning. The second three games will be rolled at 2:00 p. m. in the evening at 5:00 p. m.; there will be a banquet for the eight teams at which time the perpetual challenge trophy will be awarded by the Brunswick-Balke-Calender Company to the championship team.

Rolling gets under way again at 7:00 p. m. when the first squad of doubles and singles take the lanes followed at 9:30 p. m. by the second squad of doubles and singles.

The powerful Oregon Webfoot pin-busting squad, the favored team in the tourney, has been working out daily, and according to kegling coach, Lou Bellissimo, the Duck team is coming along fine, but he still expects the mighty contingents from up Puget Sound way—the Washington Huskies and the Seattle Chieftains—to give the Webfoots a real go for the money.

Spectators will have a chance to see a preview of the action on Friday night when most of the bowlers from the other schools will be shooting their warmup games. The tournament is open to the public and there is no charge for admission.
