# Largest Brakes in its field!

with easier action, too!

The striking new Bel Air Sport Coupe, one of 16 beautiful models in 3 great new series.

Chevrolet's improved Velvet-Pressure Jumbo-Drum Brakes give maximum stopping power with maximum ease of application

Entirely NEW through and through!

Chevrolet owners have long been convinced that they have the safest as well as the largest brakes on any low-priced car. And that is even more true in 1953.

This year you will find much smoother, more responsive brake action . . . up to 23% less pedal pressure . . . and a softer, more velvety feel of operation.

Realize, too, that here is the only low-priced car with sturdy Fisher Unisteel Construction, Safety Plate Glass in wind-

shield and all windows of sedans and coupes, extra-easy Power Steering\* and many other important safety factors, and you'll understand why owners rate the new Chevrolet tops.

Come in; see and drive this thrillingly advanced car, and we believe you'll place your order now! \*Optional at extra cost. Power Steering available on all models. Continuation of standard equipment and trim illustrated is dependent on availability of material.
