

ON SU ALLEYS

Girl Stars to Bowl

The Ray Rand's Roundup's of Los Angeles, California, one of the top women's team in the nation, will put on a special exhibition of bowling tonight at 7:30 at the Student Union alleys according to Lou Bellissimo.

The Ray Rand's quintet has been touring the nation recently and they have been participating in all of the top attraction tournaments. Last year this same team of experts put on an exhibition of bowling at the SU alleys that has never been forgotten by bowling fans around the Eugene area.

'Burned Alleys Up'

In last season's exhibition against the University of Oregon squad the gals from California had the alleys "on fire." They rolled a tremendous 2967 pin total for the three game series, and two of the girls tossed games of 267 and 255.

This year the girls have been cleaning up on all of the big money tournaments in the nation with principally the same team that bowled here last year. Back again

is the "Blonde Bomber," LaVerne Haverly, who is packing a walloping 200 average thus far in the season. Another of last year's attractions, Doris Porter, averaging 192, will be on hand, and popular Esther Woods with a powerful 188 average, will also be there.

Three Games Scheduled

The Roundup's will bowl three games including one against the University of Oregon Webfoots varsity, the recent winners of the Northwest Collegiate Bowling tournament. The Duck team will consist of "Sam" Sorensen, Norm Ruecker, Don Hannu, Jim Ekstrom, George Troeh, and Leo Naapi.

A hand-picked faculty team including Dick Williams, Col. Eldon Hanes, Paul Risley, Sgt. Howard Case, and Col. Joe Ungerleider will bowl against the Rand's and the U of O coeds will also get a crack at the gals. Norma Munie, Betty Coe Ekstrom, Ann Steiner, Jean Mangan, and Mary Brooks will make up the coed quintet.

out of his holes. Catcher Earl Averill made the outstanding defensive play of the game in the fourth inning. Terry Campbell doubled to open the frame for Washington State. When he took a long lead off second, Averill threw to George Shaw who tagged him out.

Doug Bohlke, Cougar moundsman, allowed eight hits and one earned run. He struck out one and walked one. Dmochowsky yielded three hits, a single earned run, walked four, and had four strikeouts.

This afternoon the two clubs wind up their current series. The game is scheduled for 3 p.m. Buck Bailey will send either Bill Rehder,

a southpaw, or Phil Johnson to the mound. Norm Forbes is expected to be on the hill for the Webfoots.

Frosh Baseball Nine Practices

Oregon's frosh baseball squad had a practice game with Northwest Christian college, yesterday, in preparation for two weekend games, one at Corvallis Friday and another at Eugene high on Saturday. The freshmen, coached by John Londahl, currently possess a perfect three win record.

Coach Bill Bowerman's track men also practiced yesterday for a Saturday meet with the University of Washington in Seattle.

The University's tennis team will host Portland Wednesday and Washington on Friday. Coach Sid Mulligan's golf squad will also meet Washington Friday.

THAT HEAD DESERVES A ROOF OVER IT-OR

he who hesitates sleeps in the station

Once a Smart Sophomore named Herman trekked to a Big City for a Big Weekend. So did thousands of other People. (Big convention in town.) Thus, arriving at the hotel of his Choice, Herman found a Line stretching from here to There up to the Room Clerk. He was dismayed to hear the clerk bellow to Number One Man in Line: "only ten rooms left." Herman counted the Heads in Line. Thirty heads.

Grey cells seething, our Hero detached himself from the Group and scurried to the Western Union desk across the lobby. "I want to send a Fast Telegram to the room clerk," he said. "Where?" queried the Girl. "That one, right there," said he, pointing. The Girl nodded . . .

Two hours later, refreshed by a Luscious Dinner, Herman again ambled into the Lobby. No crowd. Confidently he confronted the Man Behind the Register. "You have a room for me," he said, "I wired ahead for a reservation . . ."

A very Nice Room it was, too. Lining up reservations is an easy Trick for Telegrams . . . and one they do well. They are equally efficient at tapping the Resources of a Reluctant Parent, setting up a Meaningful Meeting, flashing Good News about Grades, or saying Something Nice to Someone Nifty. For any-type Communication, your words Mean More by Western Union.

All the roads lead to Kankakee

Some routes, naturally, are longer than others. But if there is less traffic on them, they might get you to Kankakee faster.

The same holds true of your Long Distance calls. When circuits are temporarily busy on the most direct route for your call, a new electronic brain in the telephone office automatically selects alternate routes. They may be hundreds of miles longer, but the detour saves you time.

And the entire operation of selection and rerouting is done in a split second!

The Bell System people who perfected, maintain and operate this electronic switching system have one goal: to make the best telephone service in the world even better. Would you like to join this competent, aggressive team?

There are many opportunities in the Bell System—in engineering, business administration, accounting, and other fields. Your Placement Officer can give you the details.
