Problems, Policy Of Econ Discussed

There are two classes of problems in economic policy, said Frank H. Knight Tuesday in a coffeehour forum in the Dad's lounge of the Student Union.

The first class, said Knight, professor of economics at the University of Chicago, "are the problems that aren't problems at all." "You can't curse the politicians for being politicians," he remarked.

"The problems that are unanswerable" are the second class, Knight declared. These are the things we can do nothing about, he said. "Money tends to flow the way people are acting. If people expect a rising price level they will react in a way to make the level rise,," he continued.

Knight emphatically declared that there should be "no price fixing." The arbitrary way of fixing rents and prices is absurd, he said.

Float Parade Rules Released

Float parade rules for the Junior Weekend float parade have been announced by Sally Haseltine, float parade chairman.

Parade house chairmen will meet at 4 p. m. today in the Student Union, Miss Haseltine announced, A list of itemized accounts of float construction costs are to be turned in at this time.

Maximum cost of floats is \$70, and maximum height is to be 12 feet from the bed of the truck or other means of conveyance, Miss Haseltine said.

Floats will assemble at Fourth and Wil-lamette at 3:30 p.m. Saturday. Positions will a be determined by time of arrival at assembly

The parade will begin at 4 p.m. Any float arriving after this time will be disqualified, stressed Miss Haseltine.

Judges will be placed along the paraderoute, and judging will be based on adherence to theme, originality, color and workmanship.

Awards will consist of two (three if nec-

essary) rotation cups to be given first place winners. Permanent trophies will also be given this year. The winners will be announced at the All-Campus Sing.

Planks Announced

1. The foreign student program as it stands now is inadequate. It should be improved with a fulltime foreign student adviser.

2. The ASUO and athletic department must cooperate in prodding the administration into building a new football stadium. Unless this is done, the seats lost by the students on the student side will become a permanent matter, not temporary.

3. The students, led by the ASUO, should demonstrate to the administration that there is student interest in the creation of a millrace park. The administration change of ideas for better student is in favor, but needs to be shown government. student interest.

Previous to the presentation of the platform, H. T. Koplin, instructor in economics, gave a short talk to those attending the UIS kick-off banquet. In his talk, he raised two fundamental questions which he felt the party must answer. The questions were "How can the independents win?" and
