

Honor Code Backers Renew Campus Effort

A new phase in the agitation for an honor code at the University of Oregon was started last week on campus with the work of the honor code orientation committee in distributing pamphlets and talking to freshmen.

Under the chairmanship of Bob McCracken, sophomore in liberal arts, the committee is attempting to obtain a favorable attitude towards the code from a major part of the student body. First step was the distribution of the pamphlet, "The Oregon Way," which is designed to create a desire for the honor system among the incoming freshmen. McCracken and Sue Shreeve, sophomore in liberal arts, spoke to the freshmen living organizations as a part of the orientation program last week.

Next step will be a campaign to enlist the support of old students and faculty members. The orientation committee is currently plan-

ning to have a team of speakers go to the living organizations immediately after fall term. Posters and campus publications will be used to reach the students.

A year ago last spring term the honor code was passed by a majority of 5.2 per cent in an election in which only 51 per cent of the student body voted. This was declared too slim a majority for the code to be enacted effectively.

Last year the ASUO voted to establish an honor code committee with a primary purpose of orientation. No date has been set for an election on the honor code proposal, but McCracken claims that such an election is definitely possible this year.

Exam Forms Ready At Draft Boards Mexican Study Grants Available

Application forms for the College Qualification test are now available at local boards of the Selective Service system. The test will be given Nov. 10, 1953 and April 22, 1954.

Students who intend to take this test on either date should apply at once to the nearest board for an application blank and a bulletin of information. Applications for the Nov. 19 test must be postmarked no later than midnight, Nov. 2.

Following instructions in the bulletin, the student should fill out his application and mail it immediately in the envelope provided to Selective Service Examining Section, Educational Testing Service, P.O. Box 586, Princeton, N.J.

The Mexican government, through the Mexican - United States Commission on Cultural Cooperation, is offering seventeen grants to American students for study in Mexico during the 1954-55 academic year.

Eleven of the scholarships are at the graduate level, and six are undergraduate grants. Preference will be given to junior and senior students in the awarding of undergraduate scholarships.

Application forms may be secured from the U. S. student program of the Institute of International Education, 1 East 67th st., New York 21, N. Y., and must be filed by Oct. 15, 1953.

When you smoke Chesterfield it's so satisfying to know that you are getting the one cigarette that's low in nicotine, highest in quality.

A fact proved by chemical analyses of the country's six leading cigarette brands.

And it's so satisfying to know that a doctor reports no adverse effects to the nose, throat and sinuses from smoking Chesterfield.

The doctor's report is part of a program supervised by a responsible independent research laboratory and is based on thorough bi-monthly examinations of a group of Chesterfield smokers over a period of a year and a half.

Chesterfield is best for me — my steady smoke for 7 years.
