

# ATO's, Phi Psi's Take IM Victories

**ATO, 6, Betas, 0**

Led by slender Johnny Keller, Alpha Tau Omega battled to a 6-0 win over the Betas in a hard fought defensive battle.

The lone score of the afternoon came on the last scrimmage play of the first half with Keller passing eight yards to Myron Bagley who made a diving catch in the end zone. A hard charging Beta defense spoiled the conversion attempt, and all other scoring efforts of the afternoon went for naught. Keller's long end sweeps off a pass or run option highlighted the game.

## Alpha Hall Slips By

Alpha hall, in the 3:45 game on IM field 3 came out victorious over the Campbell Clubbers in a rough contest Monday.

The final score was tied 7-7, but Alpha hall piled up a total of fifty yards in four downs against seven yards in four downs for Campbell club.

Both scores came in the fourth quarter, with the Campbell Clubbers striking first blood on a pass from Emsley Rogers to Larry Beckius. The conversion went on a pass from Rogers to Bob Robinson. Later in the last period, Alpha hall got in their licks as Jim Bagby flipped an aerial to Gordon Pefley for their lone TD. The pass for the conversion went from Bagby to Stan Starkel.

## Phi Psi's Blank Sig Eps

In the second game on Field 3, Ev Stiles turned out to be the big gun for Phi Kappa Psi as they rolled over the Sigma Phi Epsilon seven by a 13-0 score. Stiles passed for both of the Phi Psis touchdowns, and also for the lone conversion, besides intercepting a pass which he ran back for fifty yards.

The first score came when Stiles passed to Doug White, and then passed to White again for the conversion. Stiles' interception set his team up for the next score which came on a 40 yard aerial to Gary Newton. There was no conversion on this touchdown.

## Delts Triumph, 14-0

Led by blonde Paul Peterson and lefty Ron Ricketts, the Delts scored early and were never headed. On his third play from scrimmage, Peterson threw 10 yards to Pat Van Winkle in the end zone for a touchdown, then he threw to Ron Morgan for the conversion and a 7-0 lead.

In spite of a fighting Sammie defense, Delta Tau Delta started to roll again in the third quarter, with most of the yardage coming on passes from Peterson to Ricketts. But with the goal line in

sight, the Sammie line stiffened and Sam took over.

On the Sammie's first play, however, Ricketts intercepted a flat pass and galloped over to make the margin 13-0. The conversion was again successful on a pass from Peterson to Ricketts.

## Hale Kane Over Phils

Hale Kane maintained their undefeated record by downing Philadelphia House, 13-0, behind the passing of Sandy Kam. The first of two Hale Kane scores came midway in the second quarter when Kam faded far back and then unleashed a long, long pass into the end zone.

Bob Takano, the intended receiver, stabbed at the ball, deflecting it off to the right where Wilfred Watanabe grabbed it for the score. The cool Kam then tossed to Orlando Mathias for the extra point.

The final score came on another long pass late in the third period when Kam threw 33 yards to Bob Takano in the end zone.

## Three Forfeits

Field 2 saw no action yesterday as there were two forfeits. Sigma hall was forced to forfeit to Barrister Inn, and Chi Psi won over Pi Kappa Phi in the same way.

Susan Campbell I took the battle of the Suzies for this season when it won over Susan Campbell II by forfeit.

## GMC Sponsors Essay Contest

Announcement has been made by the Highway Research Board recently of their Better Highways college contest, open to undergraduate and graduate students of this and other universities throughout the country.

Made possible by the General Motors Corporation, this contest has for its general subject some phase of financial, economic, and administrative improvements for our systems of highways.

Of interest mostly to students majoring in business, political science, law, or journalism, the contest application blanks are available in the Office of Student Affairs in Emerald Hall.

## Manager Needed

Any freshman interested in managing frosh basketball this winter is asked to contact Tom Stamper, phone 5-9267.

Desk Editor, Jim White.  
Staff, Bob Robinson, Bruce Tennant, Jerry Pool.

# Varsity, Frosh Work For Saturday Games

In preparation for their games this week-end, both the Oregon varsity and the Oregon Frosh football squads ran through extensive practice sessions Monday afternoon.

Len Casanova's hard luck team has high hopes that they will be able to break a two year jinx this Saturday when they take on the Washington Huskies at Portland's Multnomah stadium. In 1951 the Ducks were thoroughly drubbed by the Seattleites, 63-6, and last year it was almost as bad as the Huskies trimmed the Oregons 49-0. In both contests Washington showed no mercy for the Webfoots at all and did their best to score as many points as possible.

Two such beatings as this have left a rather sour taste in the mouths of the Ducks. There is nothing that the local eleven would like better than to hand Johnny Cherberg's purple-clad warriors a return beating.

Casanova, recognizing the fact that the Webfoots have lacked a scoring punch in their last three games, had them working on offensive plays most of the afternoon in hopes that he could find the key to the scoring gate.

Fullback Cece Hodges and End

Chuck Greenley practiced without pads because of injuries they suffered in the Washington State game last week-end. Guard Jerry Nelson is still on the injured list and was not suited down.

Also practicing vigorously Monday afternoon was Bill Hammer's Oregon Frosh squad. The Frosh play their initial game this Saturday against Humboldt State at Arcata, California. Since his team has only been practicing for ten days, Hammer figures that they will look pretty ragged in the first encounter. However, the 46 man squad has lots of spirit and determination and could surprise

many people in their opener. Highlight of the Frosh practice was a short defensive scrimmage against the varsity second team. Although Varsity Halfback Dick Pavlat made many nice runs, on the whole the Frosh did pretty well in foiling many of the seniors' offensive maneuvers.

## SPORTS FARE

Tuesday, Oct. 13  
3:50 IM Field Susan Campbell I vs. French Hall  
Field 1 Merrick Hall vs. Nestor Hall  
Field 2 Stitzer Hall vs. Susan Campbell II  
Field 3 Campbell Club vs. Sigma Hall

Move over, Famous Towers

The world's most famous towers are, left to right, the Eiffel Tower, the Tower of London and the Leaning Tower of Pisa.

But in America, the tower-come-lately (extreme right) may rapidly become as familiar as the old landmarks of Europe. It is one of the Bell System's radio-relay stations which speed telephone calls and television programs coast to coast.

In May, 1948, these towers connected only five Eastern cities. Five years later the TV network included 95 towns and more are being added all the time.

Being the first network of its kind in the world, the planning, research, engineering and construction requirements are providing real opportunities for the kind of people who like to pioneer.

If working on new developments appeals to you, check with your Placement Officer for the details on employment with the Bell System. There are positions open for electrical, mechanical and civil engineers, as well as business administration and arts and science graduates.
