

Webfoots Have Light Practice

Coach Len Casanova and boys, fully recovered from last Saturday's tussle with Washington, donned pads and worked out in a light practice Monday afternoon. Completely escaping injury, the Webfoots came out of Saturday's game full of ready steam and willing to settle down in preparation for this week's game with the highly talented San Jose State.

Vern Sterling, Oregon line coach, sent his boys through strict defense practice against a model San Jose State line. The Oregon front line, lacking limps and bruises, held solidly against the San Jose type shift.

Blocking Practice
John McKay, backfield mentor took his crew through rigid blocking and running practice before

putting them through offensive practice. Some emphasis was placed on the passing of quarterbacks George Shaw and Barney Holland.

Receivers were having a field day, pulling in pass after pass showing some improvement over last week's encounter against Washington. Strict attention was given the shifting line, which is the type of line defense San Jose employs.

Light Contact
Quick thinking by both quarterbacks and smooth running by Dick James and Ted Anderson pulled the line defense wide apart. Only light contact was used on line play, and position and technique were the main lesson on the forward wall.

This week's non-conference game with San Jose State is the second game to be played on Hayward field this year, and with Oregon still seeking a good scoring punch, rigid practice sessions are on slate for the remainder of the week.

FINALS TODAY

Phi Delt 'Edge' Nestor; SAE Slips By Fijis, 6-0

Phi Delta Theta will meet Sigma Alpha Epsilon this afternoon at 4:00 p.m. on the intramural field for the 1953 intramural touch football championship.

The teams reached the finals by virtue of victories, Monday over Nestor hall and Phi Gamma Delta, respectively.

The Phi Delt had no trouble downing the outmanned Nestor team, 53-6 on Field I. The Phi Delt took advantage of intercepted passes, kickoff fumbles, and a loose Nestor defense to run up the lopsided score.

By halftime, the Phi Delt had the game in the bag, and the first team left the contest to watch their next opponents, the SAE's edge past the Fijis. The winners' second and third squads finished the game, but ran into no real serious opposition.

The SAE game was closer, however, with the Sigma Alpha Epsilon crew coming out ahead by a

close 6 points, 6-0. The game was not as tight as the score would indicate, however, as the SAE's ran up five first downs to none for the Fijis.

Today's finals will be the first time in four years that Hale Kane hasn't been in the last playoff contest. The Hawaiian squad has won the touch football championship for the last three years in a row.

Hale Kane was toppled from this year's playoffs by SAE in the quarter-finals.

Oregon Teams May Snap Out

(P) - The much-beaten University of Oregon and Oregon State football teams may be able to snap their losing streaks next weekend. They face a little easier competition this time.

Oregon State takes on Idaho and the loser probably will wind up in last place in the Coast Conference. Idaho was beaten 30-13 by Washington State last weekend.

Oregon goes outside the conference to take on San Jose State. San Jose lost a 34-14 decision to California last week.

SAE Sets Pace For Fraternities

Sigma Alpha Epsilon has vaulted up to the top of the fraternity league after two nights of play. The SAE's have a record of 6 wins and 2 losses.

Don Hannu, Sigma Phi Epsilon, has turned in the high average, 188, although he is bowling for the seventh place Sig Eps.

Fastest Easter's Moved This Year

(P) - Luke Easter of the Cleveland Indians was stopped by a motorcycle policeman while speeding in his car to a World series game recently. The policeman started out to write a ticket. Easter's companion in the car, Nate Wallack, who handles publicity for the Indians, said to the policeman:

"Honestly, that's the fastest he's moved all season."

The officer grinned after being told that Easter was about the slowest man in the majors and let the big first-sacker go without a ticket.
