Campbell Club Snags B Win

Aided by the fact that Sigma Nu "B" had only three men show up for a game, the Campbell Clubbers "B's" rolled to a comparatively easy victory yesterday. The scores of the two games played 15-1 and 15-6. Despite the fact that they only had three players, Sigma Nu improved in the second game, and during the first part of the game, it looked as though they were going to pull out an upset.

Chi Psi Over Theta Chi

The Chi Psi B team had the same luck as far as numbers were concerned as did the Campbell Clubbers, as Theta Chi "B" had only three men as far as the opposition was concerned. Theta Chi gave Chi Psi quite a run for their money as they were just barely beaten out in the first game by a 16-14 count. The spread in the second of the two contests was a little greater, though, as Chi Psi rolled over Theta Chi 15-8.

SAE Wins Easily

In other action on court 40, the SAE team rolled over Kappa Sigma in two consecutive games, and by the same score in both games, 15-2. This score points out the fact that SAE will be one of the big teams to reckon with in volleyball action this year.

Sig Eps Bounce Fijis

The only other action in yesterday's volleyball games was the final on court 43. This game saw the Sigma Phi Epsilon team beat the Fijis of Phi Gamma Delta in two games. The scores of the games were identical, 15-10 and 15-10. One of the most outstanding players on both teams proved to be the towering Burr Bottwell, who does his playing for Sigma Phi Epsilon. He did a fine job on the net as well as doing some accurate serving.

The other two games yesterday were not played as a result of one, or in one case, neither team showing up. Beta Theta Pi gained a win by forfeit over Sigma Chi, while in the final game on court 40, neither Susan Campbell I B, nor Stitzer B were present for the game, so therefore, both teams were chalked up with a loss.

Webfoots Hold Heavy Practice

Oregon's football squad held heavy offensive scrimmage Tuesday afternoon in an effort to sharpen up their scoring punch for the fracas with the rugged Southern California Trojans in Portland Saturday.

The freshmen had the job of playing USC's type defense and for a short time stopped the variety. However, as the afternoon progressed the offense began to move. The offensive drill emphasized running but the passing was noticeably effective. The Ducks continued working on their split-T formation which was emphasized in the San Jose game.

Fourth in Nation

The Trojans are currently ranked by the United Press as fourth in the nation. Aramis Dan-boy, tail-back on the single-wing, has been the offensive spark for the USC squad and his wide runs will place a heavy burden on the Ducks defensive ends.

Coach Len Casanova reported that guard Jack Patera, center

Berrie Captain

Berrie, 210, 6 foot, 1-inch end, was selected team captain for the game. He played freshman ball at USC in 1950.

The Ducks haven't played the Trojans since 1950, when they lost 30-21. The last Portland fracas was in 1948 when Oregon won 8-7.

Leahy Drills Irish Via Telephone, TV

South Bend, Indiana (AP)—Frank Leahy resumed supervision of practice at Notre Dame although he was in a hospital bed one mile away. He did it through television.

The Notre Dame coach has been ordered to remain in the hospital although he maintains that he has recovered from a stomach ailment.

Today, a special micro-wave closed TV circuit was arranged by WSBT in South Bend. Leahy watched the practice and with a direct telephone line was able to keep in constant touch with his assistants on the field.

Leahy was stricken at halftime of last Saturday's game against Georgia Tech. The Fighting Irish went on to win, 27-14.

Lettermen Meet
