

Shaw, Pheister Named

NEW YORK (AP)—Lamar McHan of Arkansas has been named Back of the Week in the Associated Press poll for his spectacular performance last Saturday against the Texas Aggies.

McHan scored two touchdowns, passed for two more and set up a fifth with passes. Also, the youngster from Lake Village, Arkansas, intercepted a pass, blocked, tackled, punted, kicked off and called signals.

Among the other candidates in the running for the weekly selection were Oregon's George Shaw, Maryland's Bernie Faloney and Paul Giel of Minnesota.

In a poll conducted by the United Press, Shaw also received honorable mention along with two other backs, McHan, and Howard Cassady, Ohio State. Giel won the United Press nod for the top position.

Shaw, playing quarterback and the two end positions, helped the Ducks down mighty USC, 13-7. He caught one touchdown pass, and his kicks and runs played an important part in the upset.

Oregon's outstanding center, Ron Pheister, also was mentioned as one of the top candidates for Lineman of the Week on the UP list.

ONLY THREE GAMES

Sig Eps, Hale Kane Win Volley Contests

By Bruce Tennant
Emerald Sports Writer

Since freshman basketball turnouts took over one of the courts formerly used for volleyball, there were only three games Tuesday in intramural action. For the remainder of the season, basketball will take up one of the courts on Tuesdays and Thursdays.

Phi Deltas Win Easily

The first scheduled game yesterday was a forfeit, with the Delta Upsilon B team losing by forfeit to Phi Delta Theta B. Forfeited games have been continuously marring the schedule, as some of the teams just don't seem to want to play.

Phi Kappa Sigma came very close to forfeiting as only three men turned out for their game yesterday with the Sigma Phi Epsilon team. Despite the fact that the Sig Eps started the second of

the two games with only three men, they won handily, 15-4. The first game, with Sigma Phi Epsilon starting a full team, went to a 15-7 final score.

Hale Kane Rolls

Defending intramural volleyball champions, Hale Kane rolled over the Delta Tau Delta six in two straight games. The first of the two contests was a runaway, with Harold Chang serving the first 12 points for Hale Kane as they blanked the Deltas.

Chang also started out in fine form in the second game, but was finally relieved of the serving duties. Patrick Ling of Hale Kane showed up very favorably in the second game.

Hill Moderates Previous Attack Against Officials

Coach Jess Hill of the University of Southern California Trojans, 13-7 losers to Oregon Saturday, has simmered down after his Monday attack on the "poor officiating" of the Oregon-USC game.

He stated at a luncheon of the Southern California Football Writers, Monday noon, that his Trojans lost to a "good, inspired team." "We played good football, but not as good as the Ducks," he added.

Hill declined to take anything

penalty in the fourth quarter when the Trojans were driving toward a second touchdown.

Hill stated, after seeing films of the contest, that it looked like tackle Orlando Ferrante had thrown a legitimate block on Duck Guard Jack Patera. The penalty came on a play where USC moved to a first down on the Oregon 25. On account of the violation, the visitors were set back to their own 48.

On the next play, Oregon defender Dick James went high in the air to haul down a pass from Landon Exley. The "theft" gave the winners possession of the ball deep in their own territory, where they used ground plays to run out the clock.

Mural Managers Meet Thursday

There will be a very important meeting of all intramural house managers Thursday at 3 p.m. in room 120 of the P. E. building according to Earl Ferguson, assistant IM director.

The managers will discuss the winter intramural program and also talk over the possibility of eliminating bowling from the IM slate.

College of Idaho Looking For Bid

The undefeated College of Idaho football team would be receptive to a bowl bid if they beat their final opponent Saturday. But Coach Sam Vokes said he has received no feelers yet.

The Coyotes have won the Northwest Conference title and defeated the No. 1 and No. 2 teams in the Rocky Mountain Conference—winning seven straight. They are favored to beat Whitman Saturday.

Ski-Quacks to Plan Thanksgiving Trip

Ski-Quacks, University ski club, will hold its second meeting Thursday at 6:30 p.m. in the Student Union. A trip to Mt. Hood over Thanksgiving will be discussed.

Officers recently elected are Milan Stoyanov, president; Jean Paulus, vice president; Phyllis Pearson, secretary, and Bill Porter, treasurer.

RUSH INN

ON THE CAMPUS - 854 E. 13th

2000 HOMELESS...LINES DOWN.

URGENT...REPAIR QUICKLY.

Gale winds ripped through Alabama and Georgia last spring, destroying 500 homes, leaving 2000 homeless, killing and injuring 382. Thousands of telephones were out of order—hundreds of poles damaged and destroyed. Communications had to be restored quickly. They were! Here's how:

1. Engineering teams rushed to the stricken area. In hours, they determined material and men needed to restore service.
2. Based on these reports, equipment—as far off as Chicago and New York—began rolling toward the area.
3. Telephone crews arrived from as far away as Atlanta and Birmingham—engineering and accounting forces, construction, cable testing and repair teams.
4. Red Cross, hospital and other essential installations were rushed.
5. The public was informed of progress by daily newspaper and radio releases.

Result: in 3 days, Columbus, Georgia—which suffered 10 million dollars property damage—had half its out-of-order telephones working and Long Distance service nearly normal. In another 3 days substantially all service had been restored.

Planning and co-ordination among many telephone people with a variety of skills made this quick recovery possible. It illustrates vividly the teamwork typical of Bell System men and women.

There's room on this team for a wide range of college graduates—business and liberal arts, as well as engineering. Plan for your future by getting details now about job opportunities in the Bell System. Your Placement Officer has them.
