LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another nation-wide survey — based on thousands of actual student interviews, and representative of all students in regular colleges — shows that Luckies lead again over all brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better — for 2 reasons. L.S./M.F.T. — Lucky Strike means fine tobacco. And Luckies are made better to taste better. So, Be Happy — Go Lucky!

When I relax for just a sec, A Lucky Strike I light. I find its mildness, better taste Make smoking a delight!
