

Borcher Slates Twelve At Home

Coach Bill Borcher's basketball squad will play 12 of its 27 games this season on the home maples of McArthur court, according to the 1953-54 schedule.

The hoop squad has its first game December 1, in Coos Bay against the University of Portland Pilots. The last contest during the regular season is February 27 at Corvallis.

Barnstorming Tour
The Ducks will go on one barnstorming tour, an invasion of Southern California the last week of December. The casaba artists engage the UCLA Bruins in a two game series and then have singleton contests with Stanford and Sacramento State.

Some of the top teams that will appear on the local maple include San Jose State, University of Nebraska, Gonzaga, and the 'friends' to the north, Oregon State.

Month of Prelims
Oregon will have a month of preliminary contests before embarking on a stiff 16 game Northern Division schedule. First conference game is January 5, Idaho, here.

Another of the features on the schedule is a two game semi-tournament, December 21 and 22. Oregon and OSC will play host to Nebraska, first at Corvallis and then in Eugene.

James Third PCC Rusher; Garrett Leads Total Offense

LOS ANGELES — Stanford's Bob Garrett, who cracked an 11-year-old Pacific Coast Conference record last weekend and threatens several others, owes a big assist to three key receivers, it was disclosed by weekly statistics released today by the PCC Commissioner's office.

Garrett pitched for 324 yards last Saturday against Southern California, snapping the record of 308 set by Bob Waterfield, UCLA, against Idaho in 1942, boosting him into the PCC's total offense leadership and increasing his bulge as the leading passer.

Receivers On Top, Too
Meanwhile, his receivers moved farther on top, too, and his favorite three, Sam Morley, John Steinberg and Ron Cook now rank 1-2-3 in the PCC. Morley has 35 receptions in eight games for 461 yards and four touchdowns and needs 11 more to tie the PCC record of 46 (Ed Barker, Washington State, 1951.)

Garrett has completed 92 of 158 passes for 1360 yards and 13 touchdowns with only five interceptions. Sandy Lederman, Washington, is second with 73 completions, and Paul Larson, California, third, 62. If Garrett continues at his recent pace he could snap the PCC records of 15 TD passes (Bob Burkhart, WSC, 1951) and 60.9 per cent completions (Don Heinrich, Washington, 1950). Garrett's present mark is 58.6 per cent.

In total offense Garrett has taken the lead from Larson with 1215 yards to 1199. Lederman is third, 930. Garrett also has tied Paul Cameron, UCLA, in touchdown responsibility with 14.

Cameron, though idle, retained his rushing superiority and has 553 yards to 505 for Aramis Dandoy, Southern California, and 436,

Dick James, Oregon. Cameron also has taken over the punting leadership with 41.6 as Flip Kleffner, Idaho, slipped to 40.9. Al Talley, California, resumed the top spot in scoring with 60 points to 54 for Cameron.

Garrett leads in interceptions with seven, while Dandoy has the most runback yardage on punts, 222, and Ralph Carr, Oregon State, on kickoffs, 256.

More Forfeits Halt IM Contests

Contrary to Tuesday's perfect IM volleyball slate, forfeits again reduced the action to only three games. Hale Kane B won by forfeit over Pi Kappa Alpha B; Sigma Nu B forfeited to Theta Chi B; SAE B's trounced the Beta B's; Stitzer A's outplayed French hall A's; Susan Campbell II A's were walloped by Nestor's A's, and Alpha hall A and Sigma hall A double forfeited.

Sigma Alpha Epsilon overcame an early Beta Theta Pi lead to win 15-7 in their first game. In the second game the SAE's again rallied in the later stages to win handily, 15-11.

Stitzer hall rudely surprised French hall, the league leaders, when they easily won the opener, 15-3. In a long, hard fought second game Stitzer came from behind to outpoint French hall again, 15-10. The game was well played by both teams.

In the third contest Nestor hall tromped on Susan Campbell II by scores of 15-9 and 15-5. The Nestor players seemingly scored at will with strings of eight consecutive points in each game.

Webfoots Defense For Bears Larson Top California Threat

Hoping to stop California's high-gear attack, Oregon put the emphasis on defense in Wednesday's football drill. The Ducks also sharpened up the running and passing for a short time, but the problem is stopping Paul Larson & Co. which last week rolled over strong Washington, 53-25, in a startling display of offensive power.

Larson, a 180-lb. halfback turned quarterback, leads the Bears' attack but is ably assisted by Al Talley, Don Marks, John Wilson, Jim Dillon, and Steve Dimeff.

Larson Top Threat
This year Larson, only a junior, has already surpassed almost all the all-time California passing records set by two former stars, Bob Celeri and Billy Mais.

In the line the Bears' outstanding performer is reported to be Center Matt Hazeltine, who is rated as a definite all-America possibility. The complete forward wall, from left end to right is Jim Carmichael, Jim Kottler, Tom

Dutton, Hazeltine, Hal Norris, Dick Day and Jim Hanifan.

Laird Game Captain
Elected game captain was Chuck Laird, senior tackle who recovered two fumbles against Idaho last week. Laird's home town is Berkeley, but he may see limited action because of a leg injury suffered in the Idaho game.

Also on the injury list are Guard Don Hedgepeth, End Emery Barnes, and Fullback Larry Rose.
