

# Hale Kane Boys Keep on Winning

## Phi Delts, Sig Eps Post Final Triumphs

There has been only one day of intramural volleyball finals, but one thing already seems apparent. Hale Kane, independent men's team which hasn't lost a volleyball match in the last four years, is certain to throw its weight around in the 1953 playoffs.

Both A and B Hale Kane teams went up against tough competition Monday, and both squads came out on the long end of the set scores. The Hawaiian A club easily disposed of Nestor hall, kingpin of the frosh dorm league, 15-5 and 15-5; and the B sextet came from behind to dump Theta Chi, 12-15, 15-7, and 15-11.

Elsewhere on the mural scene, Phi Delta Theta eliminated Sigma Nu in two straight; and Sigma Phi Epsilon edged past Alpha Tau Omega, again in two games.

This leaves today's A slate as follows:

Sig Eps vs Phi Delts at 4 p.m.; and Hale Kane vs Campbell Club at 4:45 p.m.

The Hale Kane-Nestor game Monday afternoon was a runaway for the Hawaiians from the start. The winners started slow, but built up steam to win both sets easily by the same score, 15-5.

Martin Magi, Ray Colye, and Wilfred Watanabe were the big men up front for the winners, and some fine setups came from Bob Takano, Bob Kanada and Don Hanaika.

The Sig Ep-ATO clash was a little closer. The first game was tied 9-9, when the winners suddenly spurred away to win before the ATO's could score another point.

Alpha Tau Omega looked like it was going to take the second battle and was coasting along, 13-8. But, led by the fine spikes of Don Kupp, Chuck Turbyfill and Don Sullivan, the winners pulled up to a 13-13 tie. ATO went ahead by two points, but the Sig Eps tied it up once more. Two more spikes put the victory in the hands of the millrace house.

Phi Delta Theta eliminated Sigma Nu by scores of 15-8 and 15-10 in a semi-final A contest. Attempting to do the impossible, the Sigma Nu spikers rallied eight points after the Phi Delts had built up a 14-0 lead.

The Phi Delts finally knocked over the winning counter but not before they had had a scare. In the second encounter, the Phi Delts broke a 7-7 tie, reaching 13 before Sigma Nu could score. With the count standing at 13-10 the Phi Delts took the final two points to win.

Hale Kane bounded into the semi-finals of the B league, coming from behind to take the last two sets from Theta Chi after a 15-12 loss in the first set. Storming back in second contest with nine straight markers to be victorious 15-7, Hale Kane found the opposition to be stronger. Theta Chi, leading 9-8, fell behind 11-12 and then Hale Kane put on the pressure to win 15-11.

# LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

*She hoped that he'd propose by mail, And when she got his letter, All he wrote upon the note Was: "Luckies taste much better!"*

Hyman Levy  
C. C. N. Y.

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another far more extensive and comprehensive survey—supervised by college professors and based on more than 31,000 actual student interviews—shows that Luckies lead again over all other brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—first, because L.S./M.F.T.—Lucky Strike means fine tobacco. And second, Luckies are made better to taste better. So, Be Happy—Go Lucky!

*To make a hit at Christmas time, And really spread good cheer, Give all your friends that smoother smoke—Give Lucky Strike this year.*
