

Job Interviews Recruit Students

Employers are recruiting graduates earlier this year than ever before, according to Karl Onthank, director of graduate placement. Representatives are slated for job interviews with students early this month.

Prospective June graduates, as well as March graduates, should take advantage of these, since each recruiter will come only once this year.

Interested students must file their credentials immediately at the grad placement office in Emerald hall to take part in these early interviews. Besides filling out the regular form, recommendation blanks must be filed.

Many representatives wish to contact ROTC graduates, even though they won't be available at once. By receiving training and getting started in the field, they would have a fine position waiting for them if ever needed. This plan is a good one, says Onthank. In two years jobs may not be so plentiful as they are today.

Interviews to be held this month include Betty Hanneman of United Airlines for stewardess candidates; Kaiser service representatives interested in graduates in chemistry and business administration; and General Petroleum representatives for men with a general business background for placement in sales and accounting.

Additional information on these interviews is available at the graduate placement office.

YWCA Membership Drive Comes to Close

The YWCA membership drive came to a close today after a week of intense activities urging people to join the YW, according to Tina Fisk, chairman of the drive.

Assisting Miss Fisk were Gwen Endicott, Phyllis Pearson, Jill Hutchings and Erma Houston. Becky Fortt handled the promotion.

Although the drive is now closed, Y membership still is open and anyone interested in joining contact the house representatives or Eileen Lindblad, YW executive director, at the YW office. Fees for one year are \$1.

Open Rush For Men To Begin Monday

Men's official open rush period begins Monday and will continue throughout the term until two weeks previous to final exams, according to Ray Hawk, director of men's affairs.

Rushes must have a 2.00 GPA for last term. A 2.00 accumulative GPA is not required under the new rules.

Interested men must sign up on, or anytime following Monday in the office of student affairs in Emerald hall. Those who have not participated before in rushing must pay the fee of \$5.

After registering, rushees must visit at least three different houses and wait one week before pledging. The pledge card is also signed in the office of student affairs.

A list has been sent to all fraternities which includes the names of freshmen men making a 2.00 GPA fall term and freshmen men new to the university this term who might be interested in rushing.

Chairman Petitions Due for 2 Activities

Petitions for both general chairman of the World University service drive and for general chairman of the University Easter Sunrise service are due Monday noon.

Students may turn petitions in to Mary Lou Sunderland at the Lutheran Student house or leave them at the YMCA office, Student Union 319.

The World University service was formerly the World Student Service Fund and sponsored a drive on campus last year.

The Easter Sunrise service is an annual event sponsored by the University Religious council.

OREGON-HAWAII TOUR

of
1954

An Invitation...

... is cordially extended to all University of Oregon Co-eds, University housemothers, and friends to attend a meeting on Tuesday, Jan. 19th, at 7:00 p.m. at Sigma Kappa House, 851 East 15th.

We would like to show you Matson's film on the Lurline and Hawaii and we'd like to answer any questions regarding our tour.

As you know, the OREGON-HAWAII TOUR is arranged especially for the co-eds at OREGON, even though we have always had a few members from other schools in the state. This is not a "mass production" affair but a small group of congenial members who will live in the nicest part of Waikiki Beach, and return as a group on the LURLINE.

Our Tour leader, Mrs. Thomas Graves, of Sigma Kappa Sorority, has proved her ability as a guide and counselor in the two previous years that she has lead the group. We want you to meet Mrs. Graves, and to meet us—Tuesday night at 7:00 p.m.
