### Students May Miss Eclipse

Oregon students probably will not get to view the total eclipse of the moon today according to a weather bureau prediction of mostly cloudy weather.

The eclipse will begin soon after with the moon reaching the center of the earth's shadow at 6:17.

The moon will begin to come into sight again at 6:47.

No optical aid will be necessary to see the eclipse providing the sky is clear. An eclipse of this type occurs two or three times a year.

"I smoke REGULAR Chesterfield," says Mary Healy

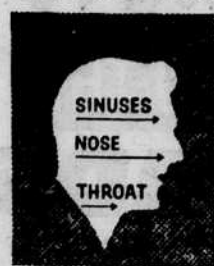

"I like KING-SIZE Chesterfield," says Peter Lind Hayes

## SMOKE REGULAR OR KING-SIZE CHESTERFIELD... AMERICA'S MOST POPULAR 2-WAY CIGARETTE

**THE QUALITY YOU WANT** No matter which size Chesterfield you buy you get the same premium quality cigarette, and all the flavor and mildness that goes with it! You get the world's best tobaccos, selected by Chesterfield buyers with the help of our research chemists... and proven, by actual tobacco tests, to be highest in quality.

**THE LOW NICOTINE YOU WANT** Before we buy tobaccos for Chesterfields, our laboratories take samples from all over the tobacco country and analyze them for low nicotine content. The extra care pays off! In recent "tobacco tests," the six leading brands of cigarettes were chemically analyzed. The findings: of them all, Chesterfield is highest in quality — low in nicotine.

**THE PROOF YOU OUGHT TO HAVE** A group of Chesterfield smokers have been examined by a doctor every two months for almost two years. 45% of them — on the average — have been smoking Chesterfield for well over 10 years. The doctor's examinations show... *no adverse effects to the nose, throat and sinuses from smoking Chesterfield.*

Consider Chesterfield's record with these smokers — with millions of other smokers throughout America. Change to Chesterfield and enjoy the taste and mildness you want — highest in quality—low in nicotine—best for you!

Enjoy the TASTE and MILDNESS you want
